Quarterly Issues & Programs Report: WLVS-FM (Q1 2023)

The major issues identified / communicated across the WLVS-FM listening area include public safety, community service programs, and governmental meetings and forums. In an effort to serve our audience, WLVS provided broadcast programming for these issues, and others, between Jan 1 2023 and March 31 2023.

Issues identified: Mental health, wildlife resources and outdoor recreation / education / law enforcement / civic activity, civic programs.

Public Safety:

(PSA) Promotion of community safety meetings, crime and safety alerts, and community meetings. These issues are provided a minimum of 4 minutes per day, in all dayparts, 6 days per week. This included COVID related closures and community information.

Community Service Programs:

Tennessee Wildcast (30 minute weekly program – Saturday 7:00a) Identifies and promotes hunting safety, legal matters and recreational resources for a wide age group.

Blooming Arts Festival – WLVS provided 4X :30 Mon-Fri :90 campaigns for the community 'Blooming Arts Festival'.

Jan 2023 'Tennessee Mornings' devoted multiple daily 1 minute PSA segments to COVID testing centers, as reported by the Tennessee Department of Health.

Governmental Issues / Meetings:

Various Dayparts: WLVS dedicates, no less than 5 minute per day (5 days weekly) , to storm recovery messages for recent flooding and storm damage that occurred in the DMA.
