

**Quarterly Issues Programs List for WYRK-FM  
January 1, 2015-March 31, 2015  
Placed in Public File April 10, 2015**

**Issues**

**Townsquare Media of Buffalo and this station have identified the following as significant issues facing our community during this quarter:**

- a. **Health and Medicine** - programs that highlight health and well being.
- b. **Spirituality** - topics that benefit the mind, body and soul.
- c. **Arts** - events that educate and expand life through publishing art and literature.
- d. **Non-Profits** - affected by the decrease in State, Federal and local funding these organizations need help in their fund raising efforts and promoting awareness.
- e. **Crime** - is a deterrent to normal life and a community's financial success. High crime rates affect life directly.
- f. **Community Leadership** - Taking responsibility for your community and making a difference in people's lives.
- g. **Racial Discrimination** - Does it still happen in 2015 and how can we Prevent it?
- h. **Religion** - It's role in society today
