## **Quarterly Issues Report**

### **3rd Quarter**

#### **07/01/19 – 09/30/19**

In accordance with Federal Communications Commission rules and regulations, we have identified the community issues most significant to our viewers. The top issues of concern were: Economy/Finances/Job Security; Water Rights/Irrigation; Health Care & Health Care Costs; Education.

1. News Franchises
2. Locally Produced Programming and related Community Partnerships
3. In Depth Local News
4. Non-News Programs
5. Public Service Announcements
6. Community Outreach/Tours

## **1. News Franchises**

### **Better Health**

**(Health Care)**

**Mondays, 6:30 AM**

Every Monday a representative from Asante joins NBC5 for a discussion on a different health related topic. This interview style news segment covers a wide range of information from breast cancer statistics to health tips on school lunches.

### **Pet Talk**

**(Education)**

**Wednesdays, 5:30 AM**

We feature current pets up for adoption in Jackson County by welcoming a pet and a representative from the Southern Oregon Humane Society each week for a discussion. This news segment deals with pet care issues of all types: choosing and caring for pets, spaying, neutering, etc.

### **Pump Patrol**

**(Economy)**

**Monday-Friday 5:30 AM and 6:30 AM**

Best price for gas in Southern Oregon and Northern California.

### **Docs on Call**

**(Health Care)**

**Mondays, 6 - 7 PM**

Medford, Oregon is the medical hub of Southern Oregon and Northern California. Two or three doctors come to our studios every Monday night to take live call-ins from 6-7pm. These calls are private. We initiated this program so that those who are too poor or too frightened to seek medical care in-person might do so from the comfort of their own homes. Many times "our" doctors have spent time on the phone convincing callers to get to a doctor who can help them. The program airs from September through the last Monday in May prior to Memorial Day.

### **Focus on Health**

**(Health Care)**

**Mondays, 5 PM**

Doctor Robin Miller joins our team on the news set and answers topical questions for the day. She also answers appropriate email questions that she receives.

### **Today in Education**

**(Education)**

**Tuesdays/Thursdays 7 PM and 11 PM**

We highlight education news from around the world.

### **Your Place, Your Money**

**(Economy)**

**Wednesdays, 7 PM**

We feature experts in consumer affairs to provide tips that anyone can use to better their financial situation.

## **2. Locally Produced Programming & Community Partnerships**

### **Know Your Role**

Know Your Role is a multi-year alliance formed by Southern Oregon broadcaster KOB-TV/NBC5 in conjunction with Southern Oregon Sports Commission. The mission of Know Your Role is to improve the culture of youth sports in our region and create a healthy and positive experience for kids, parents and the community. (KOB 328 spots / MOB 128 spots)

### **Giving Care**

Giving Care is an eight month campaign designed to support the seven in ten family caregivers who are feeling stressed out emotionally due to their caregiving responsibilities. The mission of Giving Care is to reinforce the importance of caregiving as well as the importance of supporting the physical and emotional health of the caregiver. (KOB 350 spots)

### **Marijuana**

KOB-TV / NBC 5 and KOTI-TV / NBC 2 will partner with the Josephine County Prevention in an effort to increase awareness about the impact of legalizing and manufacturing of marijuana in Josephine County. The unbiased campaign will invite viewers in our 10-county region to consider the current climate created by legalizing marijuana. (KOB 559 spots)

### **In This Together**

Stigma surrounding suicide is still rampant. Many people ask questions that seem very invasive and insensitive, but the reality is that so much of the public still doesn't understand suicide.

The best thing KOB-TV/NBC5 and United Way of Jackson County can do is help break down the stigma and report on suicide in a safe way. Safe doesn't necessarily mean censoring things. It just means that the person's suicide should not be romanticized, shamed, or exploited.

The 24 month campaign seeks proactive partners to create a television campaign that will save lives. Together, KOB-TV/NBC5 and United Way of Jackson County will report back to partners, on every current aspect of the campaign as well as provide future updates. Partners will have the opportunity to attend quarterly meetings to provide feedback and guidance.

Doing nothing, accomplishes nothing. With the collaboration of KOB, United Way, and our partners, we WILL make a difference. Our mission: To offer a steady hand, guiding those in need to the light of hope. We intend to ensure that everyone knows there is ALWAYS someone to talk to. (KOB 399 spots / MOB 80 spots)

## **Safety Fair**

KOBI TV will air PSA's leading up to the annual Rogue Valley Safety Fair in order to create awareness and build traffic and attendance

Following the Event, 30 second "Are you Ready?" PSA's will air for two weeks, to encourage viewers to follow through with preparedness. KOBI will continue to air "Are you Ready?" PSA's throughout 4<sup>th</sup> quarter as inventory allows. (KOBI 228 spots/ MOBI 100 spots)

## **3. In-Depth Local News**

### **Greenway Investigation**

Five Parts

TRT: 22.06

Reporter: Amanda Rose

Airdates: Monday, July 15<sup>th</sup>-Friday, July 19<sup>th</sup> during NBC5 News at 6 and 11.

*What should be 20 miles of a beautiful hiking and biking path through Jackson County is full of trash, fires, drug and other crime. NBC5's Amanda Rose explores the many issues surrounding the Bear Creek Greenway and what its future holds.*

**In addition to the usual treatment of daily news, we host an in depth feature interview segment of 5-8 minutes with one or more guests, Monday through Friday, during the 5pm show.**

***Get Wild*** is a weekly half-hour reality series featuring wild animals at the world famous San Diego Zoo. The series provides key information about each creature and

teen viewers learn about their living habitats and unique behaviors. For example, in one episode viewers learn how experts studying adult orangutans learn the ways they raise their young. Another episode highlights the Panda bear and explains the animals living patterns. *Get Wild* is a series intended to educate and inform viewers all about life in the animal kingdom.

***SWAP TV*** is a weekly half-hour television series about two teenagers from different backgrounds swapping lives for a weekend. The series meets the educational and informational objectives of the FCC's Children's Programming requirements for children ages 13-16. The programs explore the opposite lives of the participating youngsters as they learn about different cultures and family settings. Young viewers are exposed to the special interests of the swapping youngsters and what adjustments they make to a different life situation. The program teaches tolerance of various races, creeds and backgrounds while exposing an appreciation to someone else's way of life. Each episode is informative, entertaining and promotes good social values and respect. *SWAP TV* is closed-captioned for the hearing impaired and displays the E/I icon throughout the broadcast.

***Animal Rescue: Family Edition*** is a weekly half-hour reality series showcasing spectacular rescues of all types of animals and focusing on families doing their best to care for and protect pets. The series highlights the dedicated and loving families around the world who help sick, injured or abused animals. Each episode also instructs children on the proper care of animals and provides safety tips on how to care for all kinds of creatures in the animal kingdom. The show is aimed at children and their families who want to learn about animal treatment, care and protection.

***Wild World*** is a weekly half-hour reality series showcasing all types of wild animals at the world famous San Diego Zoo. The series focuses on the dedicated people who care for these unique critters. The program also informs teen viewers about the living environments and key facts about each wild animal. Episodes also include stories on zoo enrichment programs that help animals initiate natural behavior. Whether it is following the life cycles of rhinoceros or understanding the eating habits of grizzly bears, *Wild World* is a series intended to educate and inform viewers all about life in the animal kingdom.

***Eco Company Teens*** explores all aspects of being green and understanding how our actions impact the world. Young viewers learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They also learn more about recycling, conservation and organics. The E-Team profiles teenagers and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future.

***Missing: Unsolved Cases*** is a weekly half-hour educational/informational series focusing on actual unsolved cases of missing persons. The series, which is appropriate for family viewing and children ages 13-16 in particular, provides

information and descriptions of missing children, including endangered, runaways as well as victims of abductions. The show also presents teenage peer-to-peer advice on safety in public places and in cyber space, including real-world examples of how to avoid potentially dangerous situations. The program emphasizes taking active responsibility for personal safety and promotes situational awareness, presented in a calm and non-threatening manner suited for teenagers.
