KQDY
Quarterly Issues/Programs List

KQDY provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **EDUCATION:** Vamegh Rasouli, Department Chair and Continental Resources Distinguished Professor of Petroleum Engineering at the University of North Dakota, joins Energy Matters to talk about UND (tm)s Petroleum Engineering Program.
- **EMPLOYMENT:** Jason Ehlert - President of the North Dakota Building Trades Unions. · What kinds of trade unions work at the power plants and what kind of work do they do? · How do you young people get involved in the trades? Are their openings? · What other types of industries use the trades? For instance, how about the oil refineries? · Besides good wages, are their also good benefits?
- **ENERGY:** Fedorchak gives her reaction from the recent energy conference, which was attended by EPA Administrator Andrew Wheeler, at the Bismarck State College recently. Fedorchak also previews the upcoming hearing in Emmons County on November 13 dealing with the Dakota Access Pipeline.
- **GOVERNMENT:** PUBLIC SERVICE COMMISSION, FURTHER CONSIDERATION FOLLOWING THE HEARINGS IN NOVEMBER IN EMMONS COUNTY, TO INCREASE THE CAPACITY OF THE DAKOTA ACCESS PIPELINE
- **INFRASTRUCTURE:** PSC Commissioner Brian Kroshus wrapped up the Public Service Commission (tm)s Dakota Access Pipeline hearing last week in Linton, and will discuss the next steps for the Public Service Commission. The hearing was held to garner comments on the expansion request in Emmons County.
- **PROPANE SHORTAGE:** North Dakota Petroleum Marketers Association President Mike Rud joined for an update on the propane shortage situation in North Dakota.
- **SAFETY:** Jeff Forsberg, the safety director at BNI Coal (tm)s Center Mine, joins the show to talk about winter safety at the mine and then also give some tips on how everyone can improve their chances of remaining healthy this winter by following some winter safety tips. Cold temperatures can mean brittle metal, icy road conditions and exposed skin can suffer frostbite. Besides being a safety director, Jeff is also an EMT " emergency medical technician

- **TRANSPORTATION:** Brad Redmond - Director of Transportation at West Fargo Public Schools, joins to about the electric bus that was put into service this fall, to talk about the bus (tm)s performance and how the students in the District reacted to the use of the new bus in the school system.
- **WIND ENERGY:** Wind energy development. Light mitigation systems on certain wind turbines.
