KQDY
Quarterly Issues/Programs List

KQDY provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Agriculture:** Potential impact of ethanol on the agricultural industry.
- **City Government:** City of Bismarck commission, tax and zoning proposals.
- **Construction:** Public Service Commission, new applications in the energy industry, resulting economic development and job creation.
- **Education:** National Energy Center of Excellence, introducing students to energy careers.
- **Energy:** Advancements in oil extraction technology and procedures, including the ND industrial commission (tm)s recent amendment to crude oil conditioning standards.
- **Infrastructure:** Infrastructure buildout needs with the expanding energy industries.
- **Jobs:** Job market in the competitive energy industries.
- **Legislation:** "Operation Prairie Dog" legislation under consideration in the state session, to fund infrastructure improvements in cities and counties.
- **Legislative Session:** State Senate Majority Leader, on "Operation Prairie Dog," and a number of other bills under consideration.
- **Oil & Gas:** Director of the Department of Mineral Resources Oil & Gas Division - extraction results and trends.
- **Public Service Commission:** New PSC commissioner. Priorities for the commission, and the new legislative session.
- **Taxes:** Tax changes, including the sharing of tax revenue from oil and gas production and extraction on trust and fee lands on the Fort Berthold Reservation. The bill is a product of extensive dialogue between the Governor (tm)s Office, legislative and tribal leaders, industry representatives and the state tax department.
