EDUCATION

<u>Length</u>	<u>Time</u>	<u>Date</u>	<u>Description</u>
80+-:60 sec	5am-5am	2/10-3/31	Dennis Miller Show

During this three minute promo for the upcoming daily broadcast of the Dennis Miller Show the host speaks with two gentlemen who represent a chip company that has dedicated their profits to veteran organizations. Conversation focuses on the numerous needs of the veterans and the organization that benefit those heroes. The program closes by giving listeners the contact information.

80+-:4 min	5am-5pm	2/10-3/31	Focus on the Family
------------	---------	-----------	---------------------

During this four minute promo for the upcoming daily broadcast of Focus on the Family the host speaks with a couple whose marriage was repaired. The two discuss the issue each had concerning the other spouse and the different styles of communication they used. By realizing the styles they were able to identify weakness and strengths of each person and began to repair their relationship. The host then shared a book and well as other contact information as to a step by step plan to repair struggling marriages.

80+-:3 min	5am-5pm	2/10-3/31	Geraldo Rivera Show
------------	---------	-----------	---------------------

During this three minute promo for the upcoming daily broadcast of the Geraldo Rivera Show the host speak with guest Pat Buchanan about the issue of racism. Rivera discusses in detail the positive influences of different nationalities that make up the citizenry of the United States. Buchanan takes a less positive stance and a strong debate ensues. The debate offers a broad range of educational issues from Rivera that gives the listener a strong knowledge basis for those of all cultures and nationalities and how they have benefited our great country.

80+-:90 sec	5am-5pm	2/10-3/31	the Daily Dose with Dr. Oz
-------------	---------	-----------	----------------------------

During this 90 second promo for the upcoming broadcast of the Daily Dose with Dr. Oz the host speaks of the warning signs of Diabetes. He talks of over one million cases being reported yearly and the effect is has on individuals. Dr. Oz also talks about the high diagnoses rates among Latino's and

American Indians. He further states the serious complications from the disease. The promo leaves the listener informed about the symptoms to look out for and those who may be more vulnerable to have diabetes.

80+ :90 sec 5am-5pm 2/10-3/31 the Daily Dose with Dr. Oz

During this 90 second promo for the upcoming broadcast of the Daily Dose with Dr. Oz the host speaks of the warning signs of Lactose Intolerance. Dr. Oz tells listeners how to conduct a simple in home test to see if they are lactose intolerant. He moves through a step by step test for this issue. The promo leaves listeners with the ability to conduct the intolerance test and further discuss the results with their physician.

DURING THE SECOND QUARTER OF 2013,

KYHN

Quarterly Issues/Programs Report

April 1st to June 20th, 2013

EDUCATION

Length	Time	Date	Description
1-10:00 min	7-9 am	4/4/13	1650 Morning Show

The 1650 Morning Show is a local program produced by KYHN. This program discusses local issues of interest that are current to the public and the area. During this specific program the issue of "open gun carrying" was the topic. Listeners were given data on surrounding states and the related laws of each pertaining to open carry. The current law of the state of Arkansas and Oklahoma was stated as well as the local issues of carrying a gun in public. The host also brought up safety concerns with allowing the public to carry guns. The second half of the program was dedicated to the amount of training required for those licensed to carry.

1-10:00 min	7-9 am	4/24/13	1650 Morning Show
-------------	--------	---------	-------------------

This is a local morning show with local news, weather, sports and traffic reports. It is produced by KYHN. This program discussed local issues of interest that are current to the public and the area. During this specific program the issue of "construction of I 540" between Van Buren and the Zero street exit was the topic. The host shared the latest data from the Arkansas State Police concerning the number of accidents since construction began in March. The host encouraged callers to share stories of problems they have had with the construction zone. Three calls were received and discussed.

1-10:00 min	7-9 am	5/15/3	1650 Morning Show
-------------	--------	--------	-------------------

During this program the specific issue discussed concerning the Clarksville Public School system allowing trained teachers and staff to carry concealed hand guns. The proposal from a school board member and the superintendent was stated by the host that had been published. The host encouraged callers to share their opinions and received no calls. The host shared his personal experience of his certification and licensure process for his concealed weapons permit. Host also explained where and when the Oklahoma law allows the legal carrying of weapons.

1-8:00 min 7-9 am 5/16/13

1650 Morning Show

During this local morning news and talk show program the host discussed the local media feedback from two parents from the Clarksville Public School system and their concerns of teachers and staff being allowed to carry hand guns. The parents were reported as saying they were going to "take their kids out of the school" if the board allowed staffers to carry guns. Host encouraged callers to tell their opinions but no calls were received.

1-8:00 min 7-9 am 6/12/13

1650 Morning Show

This is a local program that runs for two hours each weekday morning. It's content is mostly local news, weather, local sports and Fort Smith traffic reports from the Fort Smith Police Department Live Traffic Website. During this specific program the issue of a new outdoor mall at Chaffee Crossing was discussed. The host shared information concerning the new mall including plans, location, stores, restaurants and other proposed items. The amount of sales tax to be generated was also shared with listeners from reports by the Times Record.

1-10:00 min 7-9 6/25/13

1650 Morning Show

On this program we used pre-recorded portions of the Geraldo Rivera Show from 6/22/13. The Geraldo show was dedicated to illegal immigration. The recordings were approximately 2 minutes in total and asked listeners to think about some of the issues that illegals face. The recordings spoke of college students who came to get a education and wanted to stay, children that were born in the United States but had illegal parents and other such issues. It also shared some of the negatives of illegals such as the additional health cost, crime rates and the cost to the U.S. to send them back as well as the cost of patrolling the borders.

DURING THE THIRD QUARTER OF 2013, THE FOLLOWING COMMUNITY ISSUES WERE ADDRESSED IN KYHN PROGRAMMING:

EDUCATION ISSUES OF:

Independence Day History

Cost of the Newly Proposed Water Park

Teen Bullying

In Studio Guest, Author Ruth Girten Lowrimore

Watch Out for Kids Campaign

Increasing Cost of School Supplies

Problems with the Fort Smith Civic Center

New Mall Construction at Chaffee Crossing

THE FOLLOWING REPORT DETAILS HOW KYHN ADDRESSED THESE ISSUES.

KYHN

Quarterly Issues/Programs Report

July 1st to September 30th, 2013

EDUCATION

<u>Length</u>	<u>Time</u>	<u>Date</u>	<u>Description</u>
80+-:60 sec	5am-5am	6/25-7/4	Independence Day Promo

The Independence Day Promo was produced in house. It was a promotion for our nation's birthday and contained history segments about our country. From our flag to the founding fathers, history on our constitution and on our president's. Basically five different :60 second public service announcements on the history of the United States of America. We also tied the PSA's in with local events such as firework shows, etc.

1-14 min	7am-9am	7/16	1650 Morning Show
----------	---------	------	-------------------

This is a local morning show with local news, weather, sports and traffic reports. It is produced by KYHN. This program often discusses local issues of interest that are current to the public and the area. During this specific program the issue of "the cost of the newly proposed water park" was covered. Other topics of discussion were the proposed location of the water park, how would the park be paid for, and who would be responsible for the park once construction was completed. We also gave dates and times of city meetings that would be held concerning the water park and community input.

1-4 min	7am-9am	7/17	1650 Morning Show
---------	---------	------	-------------------

During the 1650 Morning Show we did a follow up on the meeting held the previous night. Basically we summarized the meeting and spoke with a resident that was at the meeting. The resident gave her feelings on the cost of the park and the proposed location.

1-15 min	12pm-12:30pm	8/6	1650 Midday Show
----------	--------------	-----	------------------

This is a local midday show with local news, weather, sports and traffic reports. It is produced by KYHN. This program often discussed local issues of interest that are current to the public and the area. During this specific program the issue of "teen bullying" was the focus. On Thursday, August 1th a local teen committed suicide due to teen bullying. The program discussed bullying by social media and the issues related to it. Host read the newspaper accounts of the bullying and played numerous Stop Bullying

PSA's. Plus also read other accounts of teen bullying stories and gave local suicide prevention hotline contact information.

1-30 min 8am-9am 8/8 1650 Morning Show

The show guest was Ruth Girten Lowrimore author of the Book "Gone Fishing". We discussed the book and she read several passages from her book. We also gave information about her upcoming book signing at a local library. Ms. Lowrimore was an in studio guest.

80+ :30 sec 5am-7pm 8/1-8/10 Watch Out for Kids Promo

The Watch Out for Kids Promo was produced in house. The purpose of the promo was to increase awareness of area schools beginning their new school year. It reminded drivers to obey all school zones, and traffic laws pertaining to school buses and facilities.

1-10 min 7am-9am 8/26 1650 Morning Show

The specific program discussion was about the "cost of school supplies". The host shared three area school supply lists that students must have prior to start of school and then estimated the cost of such supplies. The host shared with listeners how the cost and list requirements were continuing to grow and become more costly.

1-10 min 7am-9am 9/4 1650 Morning Show

This is a local produced program. This specific program dealt with issues of the non-use of the Holiday Inn Civic Center. The center was built with the promise of the civic center use being a primary place for city and regional events. The city of Fort Smith was looking into additional funding for the center due to the cost of running the facility. The actual budget was more than three times the estimated budget and held about half the number of events as was projected more than 5 years ago. Discussion centered around the events scheduled and those that were moved to other venues.

1-5 min 12pm-12:30pm 9/29 1650 Midday Show

This show focused on the new mall being constructed at Chaffee Crossing. We spoke with the Fort Smith Chamber about the overall project including the number of restaurants, shopping outlets and the projected dates of opening and completion.
