

KHEX ISSUES/PROGRAMS LIST

The following are identified as significant community issues during the fourth quarter of 2022:

- CALIFORNIA GENERAL ELECTION 2022
- RAIN LEADS TO REMOVAL OF DROUGHT RESTRICTIONS
- EXCESS RAIN COULD LEAD TO FLOODING
- LOCAL FIRE SEASON EXTENDED
- HIGH SNOWPACK AND WET WEATHER STILL MAJOR ISSUE
- QUALITY OF LOCAL ROADS AND STREET

To meet these issues, KHEX broadcast a live local morning show hosted by general manager Cal Hunter between 7 am and 9 am Monday through Friday during which these and other issues of public interest are discussed. In addition, the station broadcasts six minutes of agricultural news and up to 125 minutes of network news programming weekdays.
