Inclusion and Belonging	Recorded PSA	5/12/21 - 12/2/21	ROS	:30s		(5/12/21 - 12/2/21, 26146, "Belonging") We've all had moments of feeling left out, but for people who move to this country, that feeling can last more than a moment. Together, we can change that. These PSAs empower viewers to foster a more welcoming nation where everyone - regardless of their background - can belong.
COVID-19 Vaccination	Recorded PSA	5/12/21 - 12/31/21	ROS	:30s		(5/12/21 - 12/31/21, 26148, "Missing Moments - Concerts") Fifty percent of Americans have expressed hesitancy about getting vaccinated. New PSAs discuss the important role of COVID-19 vaccination in getting back to the moments we miss.
Caregiver Assistance	Recorded PSA	5/12/21 - 2/18/22	ROS	:30s		(5/12/21 - 2/18/22, 26145, "Take a Minute") The COVID-19 pandemic has exacerbated the stress, isolation, and anxiety that many caregivers face while caring for a loved one. Help caregivers better care for their loved ones and themselves by running PSAs that encourage them to visit AARP.org/caregiving for free mental health resources.
Adoption	Recorded PSA	5/12/21 - 4/30/22	ROS	:30s		(5/12/21 - 4/30/22, 26140, "Building Brighter Futures - Zach's Story") Right now, more than 120,000 children, through no fault of their own, are waiting to be adopted from foster care in the United States — a 20% increase since 2012. Our nation's child welfare system is being stretched far beyond its capacity as families are devastated by the opioid crisis and other issues. Unresolved through policy and evidence-based, innovative practices, this problem has far-reaching impacts. Last year, more than 20,000 teens turned 18 or 21 and aged out of care without a permanent home. With nowhere to turn for support, many are at a higher risk of negative outcomes, such as homelessness, unemployment and early parenting. With support from the Foundation's generous donors, the Foundation has helped find forever families for more than 10,000 children across the United States. But there is more work to be done to serve children still waiting to be adopted who need our help the most.

In addition to highlighting the importance of quitting smoking, the campaign drives the public to TakeAHealthyStand.org to take a pledge to get screened for cancer.
