Regional and National Public Service Announcements						
Ad Council (AC) & Other Sources PSA's, National & Local/Regional Topics/Issues (specific segment descriptions below) -- (average of 6 spots per day)actual count 546 per PSA contract/sched confirmation.						
Issue	Type	Dates	Times	:30s	TOTAL = ~546 X	(Date, Cart #, "Title") Description
Texting and Driving Prevention	Recorded PSA	10/8/20 - 7/14/23	ROS	:30s		(10/8/20 - 7/14/23, 26168, "You Can Wait") Stop Texts. Stop Wrecks. From 2012-2018, nearly 23,000 people died in crashes involving a distracted driver. This PSA created by high school and college students reminds drivers 16-34 that you should never drive distracted.
Opioid Abuse	Recorded PSA	3/16/22 - 4/30/23	ROS	:30s		(3/16/22 - 3/31/23, 26139, "Reverse The Silence And Help Stop Overdoses") Last year, over 90,000 Americans lost their lives to a drug overdose. That is more people than the capacity of most professional football stadiums. The overwhelming majority (more than 80%) of these deaths involved any opioids, including prescription opioids (natural and semi-synthetic opioids including methadone), heroin, synthetic opioids (primarily illicit fentanyl), and are often accidental. By choosing to air these segments, you can help raise public awareness of accidental opioid overdose and encourage people to talk openly about this public health issue. We might even have the chance to help change the stigma associated with it.
Flu Vaccination	Recorded PSA	11/3/22 - 4/30/23	ROS	:30s		(11/3/22 - 3/31/23, 26130, "Missing Out") Don't miss out because of the flu. Up to 41 million Americans get sick with flu each year. For vulnerable people, there can be severe outcomes. With experts warning that this flu season may be the worst in recent years, there is heightened urgency. These PSAs encourage everyone to get their annual flu shot.
Teens In Foster Care	Recorded PSA	6/1/22 - 6/1/23	ROS	:30s		(6/1/22 - 6/1/23, 26145, "Teens In Foster Care Need Forever Families") Each year, more than 20,000 youth turn 18 or 21 and leave the foster care system without a forever family. With nowhere to turn for support, they are at higher risk of negative outcomes, such as homelessness and unemployment. Created in 1992 by Wendy's founder Dave Thomas who was adopted, the Dave Thomas Foundation for Adoption is a national nonprofit public charity dedicated to dramatically increasing the number of adoptions of children waiting in North America's foster care systems.
Breast Cancer Awareness	Recorded PSA	6/1/22 - 6/1/23	ROS	:30s		(6/1/22 - 6/1/23, 26140, "Moments - Hope 30") Susan G. Komen is aiming to inspire people and communities to support those impacted by breast cancer. Every 12 minutes, a woman in the U.S. dies from breast cancer — but it's the power of community, united by hope, that can put an end to the disease. Using that message of hope without shying away from the stark reality of the illness, the ads showcase authentic and striking imagery that call for the support of those in need today as the organization pursues tomorrow's cures.
Hunger & Food Banks	Recorded PSA	6/1/22 - 6/1/23	ROS	:30s		(6/1/22 - 6/1/23, 26149, "Connie Britton") 38 million people face hunger in the United States – including more than 12 million children. Hunger knows no boundaries; it affects people from all walks of life. "The Truth About Hunger" features celebrity activists, Shanola Hampton and Connie Britton, reading handwritten letters inspired by real experiences of people facing hunger – to shed light on the issue and invite us to take action. Because together, we can end hunger.
