Issue	Program	Date	Time	Duration	Description of Program
Incarceration – Ministry	Closer Look	2/27/22	7:00pm	15min	Jail to Jobs, Prison Fellowship 'Remembers Those in Prison' Christ-centered ministries like Prison Fellowship and Jail To Jobs Austin break into that hopelessness with practical and spiritual reform. Hip-hop artist Lecrae partners with Prison Fellowship, performing concerts in select prisons, speaking and encouraging inmates to embrace a second chance at life. He has several relatives who have been in prison, “even my own father was incarcerated, some of my closest uncles as well.” Citing imperfect biblical leaders like Moses and King David, the artist commits himself to raising awareness of all people serving sentences, well-deserved or not. Jesus “wouldn’t see them as what they’ve done, He’d see them as what He can do through them. I think that’s how we should see them as well. They’re still human beings with dignity who’ve made mistakes.”
Healthcare	Closer Look	3/6/22	7:00pm	29min	Living With Chronic Illness? Advice For Faith and Family The doctor called. Your disease has a name. It can be treated, but it cannot be cured. Your life becomes a swirl of doctors and pills. Finances suffer. Even your faith takes a hit. You likely feel very alone, as loved ones can be the last to accept the diagnosis. “It can be very isolating when no one really gets it,” says Susan Rodriguez at Hospital for Special Surgery in New York. As a licensed clinical social worker, she works with patients who experience emotional pain caused by their debilitating physical condition. To ease that loneliness and distress, Rodriguez recommends involving loved ones in as many doctor visits and conference calls about therapies and treatments as possible.
Youth Programs	Closer Look	3/13/22	7:00pm	28min	Sick Children Hunt and Fish Thanks to Catch-A-Dream Foundation “When a family has a child with a life-threatening or terminal medical condition, everyone in that family suffers,” says Dr. Marty Brunson, avid outdoorsman and founding board member of the Catch-A-Dream Foundation. The charity provides all-expense paid trips for kids who crave outdoor adventure. “Our job is to give them that opportunity to have what one child once called, a ‘vacation from being sick’-- he said, ‘when I’m huntin’ and fishin’ I don’t really feel bad.” Since 1999, Catch-A-Dream has taken more than 740 children from their hospital beds to lakes and woods for sportsman trips. The entire family is included.
Faith	Closer Look	3/20/22	7:00pm	16min	GenZ Christians Surveyed on God, The Bible and Society GenZ Christians have questions about practical faith. They want Scripture-based solutions for the issues they face alongside their friends. “I can no longer avoid truths about racial injustice, about environmental destruction and I do not know if the Church cares about this.” For them it’s pastoral – not political.
