# **Quarterly Issues Programs List for Station KSOI Q2, 2023**

#### Section I. Issues.

KSOI has identified the following issues as significant issues facing our community in this quarter:

- 1. **Music:** Southern Iowans appreciate good music to provide entertainment and a background sound during their commutes, work days, bus rides, etc.
- 2. **Weather:** The forecast for weather in Southern Iowa is of great importance to our largely Ag driven rural economy and the driving conditions for our residents as there are many long commutes, school bus rides, etc.
- 3. **Entertainment and Sport:** Announcement of events occurring throughout the South Central Iowa community, movie announcements, theater productions, programs that are fun to listen to. Also issues relating to regulations, safety, and conditions regarding hunting and fishing in South Central Iowa
- 4. **Health:** Provide tips for healthy living and improving quality of life and those around you
- 5. **Local News:** Announcement of area funerals, news of the area, business announcements, interviews with community leaders by community leaders
- 6. **Spirituality:** There are many spiritually engaged Southern Iowans who enjoy music and spoken word that reinforce their beliefs
- 7. **Youth Programs:** Provide educational opportunities for youth to participate in broadcast, practice public speaking, educate the public, and cover sporting events
