**Name of the non-profit organization benefited by the fundraiser:**

The Clark County Public Education Foundation, d.b.a. The Public Education Foundation

**Brief description of the specific cause or project, if any, supported by the fundraiser:**

The Public Education Foundation was established in 1991 inspired by a belief that improving our public schools was too big a task for a school district to undertake alone. The Foundation's mission is to support educators and catalyze the education system so that our students succeed not only in the classroom, but also in life.

**Approximation of the total funds raised:**

\$310,000
