

Continued Class A Eligibility of WALV-CD

For Public Inspection File

The following certification made in the WALV-CD license renewal application remains unchanged: Licensee certifies that its station does, and will continue to, broadcast: (a) a minimum of 18 hours per day; and (b) an average of at least 3 hours per week of programming each quarter produced within the market area served by the station, a group of commonly controlled low power or Class A stations whose predicted Grade B contours are contiguous. (Any change in the certification will be so noted in the public file.)
