More Public Files

Rule § 73.3526(e)(1)(ii)
Retention *Until final action taken on the station's next license renewal application.*
What's in here? These are records that substantiate television stations' compliance with the Children's Television Act of 1990 and the FCC's rules that limit the type and amount of advertising during TV programming that is directed to children 12 and under.

Licensees should upload any additional material that relates to an application filed with the Commission in the folder below that corresponds to the type application at issue.

Note: You are uploading documents into an official FCC system. All information submitted will be publicly available via the web. Filers may want to redact confidential or proprietary data before uploading, including customer bank account information.
Q: Why are my files still "pending"?
