Script

Home fires claim seven lives every day, but having working smoke alarms can cut the risk of death by half. That's why the American Red Cross is rallying volunteers on March 23rd to install free smoke alarms in Jamestown as part of our Sound the Alarm events. Those wishing to help or get smoke detectors installed can call the local Red Cross office at (716) 664-5115 or visit soundthealarm.org. Volunteers can also help you develop a personalized fire escape plan and provide valuable fire safety tips and training for all members of your household.
