Re: Locks Cable LLC. Retransmission Request for KNMT

To Whom It May Concern:

I am writing on behalf of the NTTC's member company, Locks Cable LLC which is located at PO Box 1107, Hood River, OR 97031, and who will operate a new IPTV cable television system that will serve customers in the Cascade Locks DMA. In accordance with 47 C.F.R § 76.64 Locks Cable LLC. requests the right and permission to retransmit the primary signal of KNMT to its subscribers by way of KNMT's must-carry election or other retransmission consent. This delivery of service is to commence on November 1, 2017 with an initial subscriber count of zero.

The company of record, Locks Cable LLC is a Oregon corporation whose executive signatory is Dan Bubb and any correspondence subsequent to this request letter may be addressed as such in order to properly reflect the grant of rights to Locks Cable LLC.

I appreciate your time and attention to this request and we look forward to working with you to provide the KNMT service to Locks Cable's subscribers.
