Dear DISH Network:

While the Public Interest Programming Agreement dated November 1, 2009, as extended through the February 15, 2012 Second Amendment, remains in place through January 14, 2015, if that agreement is not continued each of the referenced organizations licensed by the Federal Communications Commission ("FCC") to operate the identified television stations elects mandatory inclusion of their stations on DISH's satellite service where it provides local-into-local service for the referenced Designated Market Areas (DMAs). This request is made pursuant to the requirements of Section 338 of the *Communications Act of 1934*, as amended, and the rules and regulations of the FCC. *Satellite Television Extension and Localism Act of 2010*, Pub. Law 111-175, 124 Stat. 1218 (2010); and 47 CFR § 76.66.

As specified in FCC Rule 76.66(e)(3), each of the referenced DMAs are from the *2013-2014 Nielsen Station Index Directory and Nielsen Station Index United States Television Household Estimates* published by Nielsen Media Research. In addition, each of these stations is committed to undertake whatever is necessary to deliver a good quality signal to your local receive facility as required by FCC Rule 76.66(g)(1), 47 CFR § 76.66(g)(1).

Each of the referenced stations is prepared to negotiate in good faith for retransmission consent agreements (*see, e.g., Implementation of Section 207 of the Satellite Home Viewer Extension and Reauthorization Act of 2004*, FCC 05-119, 36 CR 80 (2005)). If this is of interest to you, please contact me at the number provided below. If you do not contact me for retransmission consent, each station will remain a mandatory carriage station in accordance with 47 CFR § 76.66.

I am the designated contact person for each of these stations. TBN appreciates the opportunity to continue providing contemporary, wholesome, family oriented and inspirational

programming to your subscribers. We look forward to furthering our working relationship with you.

Please feel free to contact me if you have any questions concerning this matter.

Very truly yours,

David Adcock
Trinity Broadcasting Network
