Tips from a Former Smoker – 08/26/15 - TFN

:60 spot Tiffany talks about losing her mother who was a smoker and died when Tiffany was 16 years old. Tiffany decided to quit smoking in 2012 when her own daughter turned 16. She started reading about how to quit smoking. She set a quit date. Threw out lighter, matches, and ashtrays. She began exercising more. I'd still get cravings, especially on long car rides. I put a picture of my mother in my car. It reminds me about my daughter 1-800-QUIT-NOW. www.cdc.gov/Tips

Make the Connection – Veterans Affairs 03/12/14 – TFN

:60 spot I joined the military because I wanted to contribute to something bigger than myself. After a while it takes a toll. I was counting the days until I came home to my family. At first it was good to be home. Then I realized things were different, I was different. I had trouble focusing and

relating to things the way that I used to. A buddy noticed and told me that there are resources out there for Veterans. I found resources that helped

and connected with other Veterans with similar experiences. Once I made connections things started to turn around. Find resources and support at maketheconnection.net. U.S. Dept. of Veterans Affairs.

Kidney Disease – 03/21/16 - TFN

:60 spot There is a progressive and potentially fatal health condition that effects one in seven American adults, and causes more deaths annually than either breast cancer or prostate cancer. One third of Americans are at risk of developing this disease, and yet the symptoms are so difficult to detect that most people don't even know they have it until they become critically ill and require emergency medical intervention. Can you guess what it is? It's chronic kidney disease, a preventable and treatable condition that takes a terrible toll on overall health and quality of life for millions of Americans.

Our kidneys play a vital role in keeping us healthy and ensuring our bodies work properly. Their primary function is to filter wastes and extra water out of our blood to make urine. Our kidneys also help control blood pressure, maintain healthy bones and make red blood cells. When someone develops kidney disease, their kidneys stop functioning properly which can lead to serious health issues and even death.

Now, Optum created this public service campaign to join the National Kidney Foundation and health advocates around the country in raising awareness about the prevalence, prevention, and treatment of kidney disease. The PSA helps listeners understand what kidney disease is, who is at risk for developing it, and what they can do to avoid serious kidney health issues. It also shares simple steps everyone can take to help prevent or slow the progress of kidney disease, and how to spot the signs that someone may need to seek care for a kidney health issue.

Prediabetes Test – 03/18/17 – 01/21/18

:60 spot 86 million American adults (more than 1 in 3) have prediabetes and are at high risk of developing type 2 diabetes, a serious health condition that can lead to heart attack and stroke. Surprisingly, nearly 90%

of people with prediabetes don't even know they have it. But prediabetes can be reversed through weight loss, diet changes and increase physical activity, and the first step in reversing the condition is to evaluate one's personal risk so that they can take action as soon as possible. In the first-ever national prediabetes awareness campaign, new PSA's assert that no matter how busy life may be, no one is excused from prediabetes. The campaign encourages people to learn their risk of type 2 diabetes by taking a short online test at the campaign website which also features information on prediabetes as well as lifestyle programs and tips to help people reverse their risk.

Bridging the Gap – 28:00 Minutes – Saturday 7:30 p.m. – 01/06/18

2018 BTG Radio New Year Interview, 1 06 18

Host is Jimmy Robles: BTG provides information, resources and services available. It consists of many coming together to connect a person or object from point A to B.

Guest is Sal Mendez and Stacie, who works at the office of Last Chance Ministry. She celebrated sober this year is and thanks God for another year of life. SA is celebrating a 300 year centennial. They are excited because many celebrated sober with fireworks and praise.

There are many temptations and we need to be like eagles, mounted high, to be stronger and see the enemy coming and resist him. Be prepared and not giving in to temptations. Stacie saw many people giving into the world. Her husband is in prison and she is single mother of 4. It is not easy but her attitude is good . She is very blessed walking with God.

We are to expect a blessing. Many of us might not even be here and have many sufferings. Serving God will give us a good year. Many are depressed and continue with a negative attitude in the New Year. We should “be blessed, not stressed”.

They are looking for people to interview in the coming year and can be reached at 210 550 1966 or 210 227 4451 or Facebook.com/bridging the gap radio. Let them know if you have resources.

Mission Statement: BTG is made up of businesses, professionals, organizations, agencies, churches, city and state leaders and ministries. There are 300 partners, one of the ministries is a food bank. Next meeting is Tuesday, Jan.16 at a place not yet determined at 9am. They are all over city and in Uvalde and Austin. The network is growing all over town.

They also have a Christian Sports Organization that provides sports including boxing and are scheduled to be interviewed on TBN soon. They hope one day for someone to go to the Olympics. They mentor youth and help them have a positive change. They are a “Hope for the Nation” ministry. They spoke of future guests on the program.

Bridging the Gap – 28:00 Minutes – Saturday 7:30 p.m. – 01/13/18 & 1 p.m.

2018 BTG Radio, Vaughn Parham, Part 1.

Jimmy Robles is host of the program, Sal Mendez is the interviewer.

Guest: Vaughn Parham.

Sal spoke of the next meeting of BTG at Triumph Faith Church, 933 SW 34th St, SA 78237.

Vaughn talked mostly of his background, born in the Bronx and also lived in Brooklyn, during the 80's and 90's. He was 6'6" and grew up with hip hop,

violence, street and corporate crime, even worked Wall St where there are a lot of factions of crime.

He began to head to a gang at age 5 because of his sister and her boyfriend. He was involved in both cities. His sister's reputation preceded him and he moved up easily. His mother tried to shield him but didn't really know what he was doing.

Sal: "Parents need to know their kids friends. My mother was involved with my life and school. Thank God for my mother."

Vaughn was a survivor, living in the projects, always defending himself in the neighborhood. The Bronx was more gang related and Brooklyn, shoot outs and robberies. He adapted in both environments.

Sal: Did you see a future?

Vaughn: Not at the time. I wanted to play football but my physical condition wasn't good enough and I discovered boxing at a gym, my dad took me too. I had a respected trainer who helped him foster his talent.

Sal: Boxing is good if taught in the right way.

For Vaughn it was a little bit of a trial because of his size. He was also lost and had issues with his mother and quit going to church. Then he discovered Islam.

To be continued on the next program.

Bridging the Gap – 28:00 Minutes – Saturday 7:30 p.m. – 01/20/18

Jimmy Robles, announcer, Host: Sal Mendez, Guest: Vaughn Parham.

This is the second interview with Vaughn. It ended last week with Vaughn converting to Islam. Sal asked how he became a Muslim and began following the wrong path.

Vaughn: Islam has many factions; “The nation of Islam”, and then “Straight Path”, an independent nationalist group.

Sal: How did you get into Islam?

Vaughn: In early teens he was in a dark place and met a Muslim who told him about it and he was curious. His dad also was not a good influence on him and then was out of his life. I was looking for meaning. The Koran which he read, had a lot of Christian like principles and the members are from the lost brother, Ismael. I read the Hadis and my mother went to church but was not a strong Christian.

He realized now how many who are disgruntled with church can be drawn to Islam but need to be careful.

Sal: How did it lead you?

Vaughn: It knew it was involved in community but basically terrorists. He entered as an adult. It made sense at the time but God delivered me and transitioned me to Christianity. God always knew where I was in my journey. His wife was a strong influence in his belief in the true God.

He moved from NY to Austin and now to SA. In obedience to God, he now, with his love of boxing is associated with the “Gladiators” and trains and helps train others. They are open from 5:30 to 8:30 pm and hope to be open more. It is a faith based gym and they hope for it to be open more in the future.

Ministry Matters – 28:00 minutes – Saturday 1:00 p.m. & 8:30 p.m. – 01/06/18

Host: Randy Garcia, Guest: Dario Gonzales who wrote the book, “Fort Calvary”, Discipleship training.

He has been a work in progress since he became a believer at age 17, when he began working with youth. His book is to prepare young and older people as a spiritual “Boot Camp”. Spiritual growth and Spiritual warfare go hand in hand. As you become more Christ-like, your morals and ethics become better. “Advance=Attack”. He teaches by the Word of God.

people as a spiritual “Boot Camp”. Spiritual growth and Spiritual warfare go hand in hand. As you become more Christ-like, your morals and ethics become better. “Advance=Attack”. He teaches by the Word of God.

It features a 40 day plan and he uses many acronyms. It helps you develop resources with the full armor of God. Many graduate and become future leaders. He bases the book on Ephesians 6, the full armor of God and prayer. WARFARE= Wisdom, Accountability, Respect, Adaptability, Responsibility and Endurance. His website is: dgonzales6214@gmail and the book is \$22.00. The book can be found on Amazon, Barnes and Noble and Fortress church (210 523 8111).

From the book, “Sanctification is a direct intervention of God that produces a righteous lifestyle?” GROWTH = Grace, Relationship, Open heart, Word of God, Trials and Holy Spirit. He also uses FIRE: Fasting and prayer, Intense relationship, Radical change and Ending of desire for the flesh.

Is this message important? About 70% of students in college lose their faith in God that they have been taught. Some warning signs are Social sabotage with peer pressure. We can only be transformed by following Jesus. He spoke of many youth pastors who move on after a few years to be senior pastors but he has been with youth for 40 years.

Dario closed this portion with prayer. There were several testimonies about Adult-Teen Challenge in SA and young boys’ facility in Bastrop. The people can be sponsored for \$35 a month. 866 913 4181 or 210 624 3655 to do this. There is also a “Restored” thrift store help with money for them.

Randy spoke of his book, “To another level”

Ministry Matters – 28:00 minutes – Saturday 1:00 p.m. & 8:30 p.m. – 01/20/18

Host: Randall Sean Garcia, Wes Gay is not available today.

Randall is going to begin to present exclusive materials to listeners. It will be available for download and printing and will give the site at the end of the program. It should increase your leadership 10 times.

He gave a personal story when, in college he went to the wrong house for his in laws because his GPS was off one house. They are not always right. He ended up rescuing a dog for the man at the wrong house.

He realized he did not have a purpose or goal for his own life. We need to take time to do it or get lost. Opening wrong doors will happen if you do not have a plan. Follow God's plan.

"Everyone ends up somewhere but few end up somewhere on purpose" his favorite quote. Why should everyone make plans. It gets you on track. It is by you and for you. It will be written in pencil, not a sharpie. It needs to be reviewed frequently. It will show you mistakes as does your GPS.

A GPS finds your way, helps if you get lost, can reroute you on the fly, overcome obstacles, may not always be right and requires an upfront investment of time and money. It becomes a visionary for your life.

Don't over structure, allow for change .Don't take the wheel from God, you need a clear signal from Him. Include meditation, prayer, consult with God to let you see what you need and what you need to become. Appreciate the benefits, Learn well yourself before you can teach others.

1. Clarify your priorities. Maintain balance of God, family, health, work and life. Not always equal time but appropriate.
2. Filter opportunities, know direction.

This is the opening podcast and there is a link to guide you through 2018, at whatever stage of life you are in. It will help to increase you leadership. Add or compare as you work on the plan.

She was saved at 7 or 8 but strayed as a teen-ager. She moved to SA at 16, met her husband and married at 17, began ministry at 19. After their first two years of marriage they were in trouble. They stopped at a carwash at a church. Their life changed and they had a desire for the ministry. God gave them compassion for the down and out.

They now have several homes: Joshua house for men, Deborah house for women, Veterans home and Ruth house which is a transitional home for women. They have a vision for more homes. They have a responsible couple who helps them and home directors

Typical day for them: Wake up early: be driven to church, prayer, breakfast, Bible study, life lessons classes, leadership training, structure and accountability. Then they go back to the homes and have more curriculum and work at jobs to help provide for their homes.

They can be reached at Facebook/sold out believers. Her husband's phone: 210 480 3743 and hers is 210 427 1007. The church is at 1149 Gambler Rd SA 78219. She is employed as a realtor and also has a women's ministry to other women pastors every 3 months.

Berta prayed for her and her husband.
