

Certificate of Class A Television Station Eligibility

Class A Television Station WSKC-CD, Atlanta, Georgia

This certifies that WSKC-CD continued to satisfy the eligibility requirements for Class A television station status during the 2023 calendar year by:

- (1) broadcasting a minimum of eighteen (18) hours per day (except for any temporary periods of disruption of broadcasting as may be permitted under the FCC's rules or special temporary authority, if any); and
- (2) broadcasting an average of at least three (3) hours per week of "locally produced programming" (as such term has been defined by the FCC, and again, except for any temporary periods of disruption of broadcasting as may be permitted under the Commission's rules or special temporary authority, if any).

Certified this 10th day of January, 2024.
