BIG BROTHERS BIG SISTERS

“bowl for kids sake”.

Throughout the month of May Frank FM ran a total of 155 PSA announcements for Big Brother Big Sisters Bowl For Kids’ Sake Fundraiser.

The Bowl for Kids Sake event is one of their biggest fundraisers of the year.

For more than 100 years, Big Brothers Big Sisters has operated under the belief that inherent in every child is the ability to succeed and thrive in life. As the nation’s largest donor and volunteer supported mentoring network, Big Brothers Big Sisters makes meaningful, monitored matches between adult volunteers (“Bigs”) and children (“Littles”), ages 6 through 18, in communities across the country. We develop positive relationships that have a direct and lasting effect on the lives of young people.

Vision: all children achieve success in life.

Mission: provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better, forever.

Accountability: by partnering with parents/guardians, volunteers and others in the community we are accountable for each child in our program achieving:

- Higher aspirations, greater confidence, and better relationships
- Avoidance of risky behaviors
- Educational success

Our Programs Start Something

Here's the proof. National research has shown that positive relationships between Littles and their Bigs have a direct and measurable impact on children’s lives. By participating in our programs, Little Brothers and Sisters are:

- more confident in their schoolwork performance
 - able to get along better with their families
 - 46% less likely to begin using illegal drugs
 - 27% less likely to begin using alcohol
- 52% less likely to skip school.

New Horizons Food Pantry

“Color Me Rad Run”.

Throughout the month of April Frank FM ran a total of 200 PSA announcements for the Color Me Rad Run to benefit the New Horizons Food Pantry

New Horizons is an adult homeless shelter, a soup kitchen, food pantry and operates Angie's Shelter for Women.

Homeless Shelter

For shelter clients, many more services are available than simply a safe place to stay and have meals. On site, clients have access to case management services, referral services, medical and mental health services, substance abuse counseling, Alcoholics Anonymous meetings and Narcotics Anonymous meetings.

Angie's Shelter for Women

Angie's Shelter for Women provides a safe structured, home-like environment where clients have access to the support and services they need while working to rebuild their lives. This shelter is open to women 18 years and older, who come due to varied circumstances such as release from incarceration, substance abuse, domestic violence, and those ineligible at other agencies.

Soup Kitchen

The soup kitchen serves breakfast for shelter guests daily. It also serves a complete dinner to seniors (over 50) at 3:00 p.m. (weekdays) and for individuals, children and their families beginning at 4:30 daily. The soup kitchen serves over 250 meals a day.

Food Pantry

The food pantry provides groceries to impoverished families and individuals in Manchester. The amount provided to each household is dependent upon family size. Along with non perishable food items, there are also fruits, vegetables, meats and bakery items available. Most of these items are donated by local supermarkets such as Hannafords, Harvest Market and The Fruit Center. Generous individuals and groups routinely conduct food drives on New Horizons behalf as well.

The pantry provides food to over 900 households each month.
