3rd Quarter 2020

1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

The Following Programs for this Quarter Include

7/5/20 The Cost of Freedom 1683

To destroy a culture, destroy their history. Peter Marshall, author of *The Light and Glory* –vividly describes the horrendous starving army at Valley Forge, barefoot in the snow, and the courage Washington infused into them to fight on against impossible odds. God miraculously protected our Continental army with a heavy fog that hid them from slaughter from the British. Tom Dooley, author of *One Nation Under God-America's Lost Dream*, describes the cost of freedom in the sacrifices our forefathers paid with their lives. What do the words of our national anthem, *The Star Spangled Banner*, really mean?

7/21/20 Rage, Riots and Revolution 1684

Violent anarchists turned what began as a peaceful protest over the police killing of George Floyd into massive riots around the country. Is this a preview of what a Marxist revolution looks like? The majority of College professors describe themselves as Marxists. Curtis Bowers, producer of the film *Agenda-Grinding America Down*, says communist groups like *Antifa* are determined to destroy capitalism and make this nation a communist nation. Naïve city councils and mayors are cutting police budgets to stop “race riots,” but that will make their cities explode in crime, and ripe for a Marxist take-over.

7/19/20 God's Incredible Design 1685

Dr Geoffrey Simmons, a medical doctor and author of 9 books, describes the incredible design in the human body, and in the marvels of nature, like the giraffe's neck and the woodpecker's tongue. Darwin didn't understand genetics or how a child inherits traits from his parents, so how could he know people *evolved from apes*? Darwin wrote that whales were the result of bears going out to sea. The bears would have drowned. Dr Simmons tells of the *intelligent octopus*, and birds that fly from Alaska to Hawaii, non-stop. This couldn't have happened gradually, they would have drowned.

7/26/20 Freedom From Visual Fantasies, p 1 1686

What God created for beauty, Satan perverts into lust of the flesh, camouflaging sin as pleasure. Pornography is a lure of the enemy that can create a sexual addiction and destroy body, soul and spirit. Clay Allen, founder of *Avenue*, was in bondage and broken to the point of suicide, but the Lord rescued him. Now he has devoted his life to helping others find freedom from porn through the Holy Spirit. Sexual sin isn't just about sex but the flesh's war against the spirit. Your past doesn't need to be your future. You can be a new creation in Christ! Since evil flourishes in darkness, bring it to the Light of Christ to be healed.

8/2/20 Freedom From Visual Fantasies, p 2 1687

God created people to be visually stimulated by the opposite sex for the propagation of the species, but Satan perverted it as a lure into his dark territory. Science has shown that the brain produces neurotransmitters (pleasure chemistry) by looking at porn. As porn becomes a habit, the brain can become trained to expect a chemical rush thus it becomes an addiction. Clay Allen, founder of *Avenue*, describes the supernatural deliverance from the porn cycle. Many men are fighting the battle in their own flesh with the wrong weapons. The battle is not just yours; the battle belongs to the Lord. Let Him fight for you!

8/9/20 God, Trump and Covid 1688

Was Covid-19 a warning from God? How will this Covid affect the election? Steve Strang, the Founder of *Charisma Magazine*, and author of *God, Trump & Covid-19- How the Pandemic Is Affecting America's 2020 Election*, says the corona virus was a manufactured weapon that was accidentally released. How can the government mandate churches to stop singing? The Leftist *Project 1619* claims slavery was the basis of our capitalist system. If Trump loses, we will see a great depression. Cut of President Trump saying rewritten history makes our founders villains! Trump is a Churchill needed for times like now.

8/16/20 Eye Witness to Nazi Germany 1689

“Hitler didn't take Austria by force; we elected that monster in 1938 when 98% voted to annex Austria to Germany because of the economic collapse, lawlessness and chaos,” says 94 year-old Kitty Werthmann. The Nazi Party was the *Socialist Party*. Guns were registered then confiscated. Handicapped people were euthanized. Hitler sounded like a pro-family American politician. School children were indoctrinated, the cross of Christ came down and a picture of Hitler went up. Out of 18,000 German pastors, only *200 refused* to sign a loyalty oath to Hitler. Many Germans said Hitler was a gift from God.

8/23/20 Electing Righteous Leaders 1690

Libby Emmon tells how schools are teaching racial prejudice by teaching students that their worth is based on skin color! When half the Christians don't vote, how are they being the salt Christ told us to be? Pastor Bishop EW Jackson, says, "In this country we choose our leaders. Socialism eliminates freedom and brings economic stagnation and oppression. God is not finished with America and wants to bring victory and revival if God's people do their part. Do we want socialism or limited government under our Constitution?" He gives a *most powerful, passionate oration* using the Bible to motivate Christians.

8/30/20 End Times President 1691

Our nation is as divided as any time in history. What does the Bible say about globalism? God has blessed America as no other nation, but we've expelled God from our schools and society. Paul McGuire, author of *Trumpocalypse – The End Times President, a Battle Against the Globalist Elite, and the Countdown to Armageddon*, says in the coming one-world globalism, you will be required to take the mark of the beast or be martyred. Two-thirds of young evangelicals believe non-Christians can go to heaven without Christ. God could allow a catastrophe to bring America to repentance. Russia and China are serious threats.

9/6/20 The Harbinger II, part 1 1692

We are experiencing a deadly Corona-19 plague that has got the whole world in lock down for the first time in history. Is this plague a judgment from God or just a deadly flu? Jonathan Cahn, author of *The Harbinger II – the Return*, says, "America is following the same pattern and getting the same harbingers that ancient Israel got before it was destroyed. From the break down of the gate and the breach of the wall, to the falling of the towers, the similarities to Israel are shocking." Cahn is calling for a national day of repentance and prayer on September 26 in Washington DC. Will we experience judgment or revival?

9/13/20 The Harbinger II, part 2 1693

We are at a crucial moment in our history that will determine our future. The same harbingers God gave ancient Israel before He destroyed it are appearing today in America. God is giving us warnings and a period of time to turn back to Him or face His judgment. America's apostasy is accelerating, brazenly promoting immorality and celebrating the slaughter of babies. Jonathan Cahn, author of *The Harbinger II – the Return*, is calling for a national day of repentance and prayer September 26th in Washington DC. Soon after a national day of prayer in 1980, Ronald Reagan was elected President and the USSR collapsed.

9/20/16 I Have Walked With the Living God 1694

One man has brought more people to Christ than just about anyone else in our time. *Hundreds of millions* of people have come into the Kingdom of God through the ministry of Pat Robertson, author of *I Have Walked With the Living God*. 90 year-old Pat Robertson is the founder of CBN and the 700 Club, and the ACLJ, which has won many Supreme Court victories. He founded Regent University that has 11,000 students. He served as a Marine Lieutenant in the Korean War, and was a Yale Law grad. He ran for President in 1988 and finished 3rd. He has inspired generations, but what does he say was his greatest achievement?

9/27/20 Voting Biblically 1695

America was a model for the world as a Christian nation. But now our nation is on the verge of God's judgment. Why have pastors become silent on social and political issues? Pastor Jim Garlow, author of *Well Versed – Biblical Answers to Today's Tough Issues*, says, "Polls show Christians want their Pastors to teach on Biblical solutions to current issues, but silence from the pulpit has led to Biblical illiteracy. Many pastors say they don't discuss politics. Does that mean they would have remained silent on slavery?" God raised a pagan King Cyrus and a coarse Churchill, because they were right for that time.
