3rd Quarter 2019

1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

The Following Programs for this Quarter Include

07/07/2019 Courageous Christian Collegian #1631

America is in a spiritual/cultural Civil War! One side holds a Biblical worldview, while the other calls for a *globalist* state. Schools propagate ideas of globalism. But what does the Bible say about globalism? Cut of President Trump stating the importance of God & prayer. [Paul McGuire](#), author of [Trumpocalypse - The End Times President, a Battle Against the Globalist Elite](#), says, "In the coming one-world globalism you will be required to take the mark or be martyred. Trump is viciously attacked because he is undermining the global order and confronting the evil system that rules this world."

07/14/2019 Standing for Righteousness #1632

Cases being litigated by [Brad Dacus](#), President of the *Pacific Justice Institute*, include: a Christian boarding school was raided by 16-armed police to change their beliefs or be shut down. In another case, a sociology professor was fired, because he challenged his students to discuss both sides of same sex marriage. A kindergarten teacher encouraged a biological boy to change his clothes and put on a dress to become a girl. One little girl was so confused, she thought she would become a boy. A bill in California would require clergy to become *agents of the state* and report confidential confessions to the government.

07/21/2019 Tornado in a Junk Yard #1633

Who's right, the public school science teacher, or the pastor? Most pastors don't teach the scientific source of origins but leave that to the secular science teachers. Is it any wonder a majority of public school students become evolutionists? [James Perloff](#), author of [Tornado in a Junkyard](#) and [The Case Against Darwin](#), gives solid scientific reasons to believe the Biblical account and reject the myth of evolution. Darwin didn't know about genetics, but we know genetics disproves evolution. The social consequences of evolution are seen in abortion. Stalin, Hitler and Marx saw people as simply evolved animals.

07/28/2019 The Biblical Pattern for America #1634

God has given us a preview from His Word of what will happen to our nation as we follow a pattern that took place in Ancient Israel 3000 years ago. [Jonathan Cahn](#), author of [The Paradigm - The Ancient Blueprint That Holds the Mystery of Our Times](#), says our nation is repeating the exact history of ancient Israel with the exact time and sequence and personality types of our leaders, including President Trump, to leaders of ancient Israel. God orchestrates events and people to serve as a warning. Baal worship sacrificed thousands of children, but we've aborted millions of them. *God will be Savior or our Judge*

08/04/2019 On Eagle's Wings #1635

The majestic eagle is a symbol of strength and freedom. Just as opposing winds cause an eagle to soar higher, so *adversity* strengthens Godly people. So when adversity comes, don't let it get you down, let it **push you up** as you draw closer to God. Inspirational high school assembly speaker, [Gary Horton](#), says the powerful, strong, father eagle is there waiting to catch the little eaglet as he tries to fly, *just as God is there* to catch us when we fall. We can trust God. [Mary Whelchel](#), author of [Soaring on - High Spiritual Insights from The Life of An Eagle](#), makes wonderful parallels between God's amazing eagle and Christians.

08/11/2019 Media's War on America #1636

The national media is trying to destroy President Trump with fake news, lies and innuendos, but their hatred has destroyed their credibility. [Brent Bozell](#), President of *The Media Research Center* and author of [Unmasked -Big Media's War Against Trump](#), says the media knew there was no collusion with Russia but saturated the airwaves with lies and slander about Trump to destroy his presidency! Despite the horrendous negative news Trump remains strong. Cut of Trump citing fake news. Bozell says the media is incapable of reporting objective news and censors all the accomplishments that Trump has achieved.

08/18/2019 Absence of Abstinencet #1637

A new sex ed. curriculum re-defines abstinence to promote perversion as normal. [Matt Staver](#), of Liberty Council says, "Many schools are leading children in to harmful and sometimes deadly sexual experimentation using graphic magazines and videos. "The Advocates for Youth" curriculum promotes abortion over child birth and trains students to be advocates for abortion and homosexuality. Teachers coerce students into participating in the *Day of Silence* and support GLSEN and Planned Parenthood." Children would prefer to have their modesty and decency respected than be embarrassed in class.

08/25/2019 A Godly Education #1638

Children are made by God to be voracious learners, until adults quench that desire. 17 year-old Eddie Zhong who started his own successful business says schools can stunt *creative* thinking. What do you want your child to become and to believe? [Israel Wayne](#), author of [Homeschooling From A Biblical Worldview](#), gives scriptural mandates for parents to consider. Public schools do not train young minds to think critically and debate both sides of issues. They only get one side. What is a good education if it leaves God out? Secular schools make secular students. Education is more than just academics. It's discipleship.

09/01/2019 People Before the Flood #1639

The idea that ancient men were primitive brutes, cave men, is a myth based on evolution that contradicts the Biblical account. Ancient people had extreme intelligence, plus lived hundreds of years, and thus invented amazing things. [Don Landis](#), editor of [The Genius of Ancient Man-Evolution's Nightmare](#), gives examples such as the thousands of pyramids around the world that used massive 100-ton stones fitted together so precisely you couldn't slide a credit card in the joints. In the religious tower of Babel, man rebelled against God and tried to be God. The religion of Babel is still here today.

09/08/2019 Never Forget 9/11 #1640

How would you overcome extreme fear and panic and remain calm if you were in the World Trade Center's towering inferno on 9/11, and you were completely *blind*? Listen to a total triumph of trust in this horrific catastrophe as a blind man, [Michael Hingston](#), describes his miraculous survival in the face of imminent death. [Michael Hingston](#), the national ambassador for the *Braille Literacy Campaign*, is the author of [Thunder Dog](#). Although Roselle, Mike's guide dog, was intensely focused on guiding him to safety, she remained calm and even gave a firefighter a kiss on his final trip up the stairs.

09/15/2019 Love of Learning #1641

How can you develop a genuine love for learning in your child? [Carole Seid](#), an educational consultant said, "The single most effective tool in shaping a child's character is great literature." *The right book at the right time can change a child's destiny*. How can parents build genius in their children? [Dr Raymond Moore](#), the grandfather of homeschooling, says statistical research of geniuses throughout the ages shows there are three common elements to producing genius. Jesus said, "The greatest commandment is to love the Lord with all your ... MIND." A secular education *can't do that* but home schooling can.

09/22/19 America's Last Stand Part 1 #1642

Why would anyone want to psychologically damage little children, let alone the nation's largest teacher's union, the NEA?

Under the guise of teaching tolerance, "Drag Queen" story hour has men dressed up as women reading stories to children in public libraries and coming into some public schools. [Martin Mawyer](#), President of the *Christian Action Network*, tells how Muslim patrol cars are enforcing Sharia Law in NYC. We never thought we would see Muslim police here. But this is part of their strategy to make America Islamic. A shocked pastor tells how his daughter brought Islamic material home from school.

09/29/2019 America's Last Stand Part 2 #1643

Why would America exchange our blessings from God to oppression under Islam? Americans have been sheltered from the realities of living under Sharia Law because of the media censoring out the atrocities occurring in Europe by Muslims. We have cuts of [Martin Mawyer's](#) video, produced by his *Christian Action Network*, called "[Europe's Last Stand](#)." Rape Jihad is justified under Sharia if a woman is out late at night. Riots in Europe are part of creating "no-go" zones for Islamic control. Sharia Law (stoning, cutting hands off, thefts) means persecution for Christians yet liberals welcome Muslims as diversity.
