4th Quarter 2018

1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

The Following Programs for this Quarter Include

10/07/2018 New Conservative Era #1592

The mainstream media, Democrats, Marxists, and the social Internet giants are all biased against Trump and conservatives in this midterm election. But the American people don't want Democrats to raise their taxes and keep sanctuary cities. They want a wall built and continue with Trump's policies to grow the economy. [Gerard Lameiro](#), author of [More Great News For America- The Dawning of the New Conservative Era](#), correctly predicted victory for Trump when everyone else said he didn't have a chance. He predicts a more conservative Congress and a rebirth of freedom, morality, peace and prosperity.

10//14/2018 New Conservative Era Pt 2 #1593

America is entering a new conservative era! [Gerard Lameiro](#), author of [More Great News For America- The Dawning of the New Conservative Era \(How and Why the Good Guys Win in the End!\)](#), correctly predicted victory for Donald Trump when everyone else said he didn't have a chance. He predicts the end of the Democrat Party and the Republican Party will split into two parties. The conservatives will keep control in Congress which will be more conservative. Before Trump is out of office, he will have selected a super majority on the US Supreme court that will overturn Roe v Wade and end the abortion holocaust.

10/21/2018 Rebuilding the Foundation #1594

Americans have been lulled into complacency forgetting our vulnerability to enemy attack. But firefighter and chaplain, [Dr Bruce Porter](#), author of [Destroying the Shadow Agenda - How God's Astonishing Plan Will Overcome the Shadow Agenda](#), stood on the rubble of the World Trade Center when the steel girders were still glowing hot and the smell of burning flesh filled the air. Can a nation as diverse as this repent to avoid God's Judgment? Dark spiritual forces threaten to destroy this nation. Our greatest enemy isn't the Muslim terrorist or communists but the ignorance and apathy of American Christians!

10/28/2018 Patriots Arise #1595

Reagan said, "Freedom is never more than one generation away from extinction." Lincoln said, "If America would ever be defeated, it would come from people within our borders." Many people thought communism was defeated. They were wrong. [Trevor Loudon](#), author of [The Enemies Within- Communists, Socialists and Progressives in the US Congress](#), says, "30 years ago, Democrats opposed illegal immigration as a threat to American workers. Then Marxists took over the unions, and the Democrat Party, to favor illegals since they would vote Democrat and make the nation a one party nation like California.

11/04/2018 The Difference Between the Parties #1596

This is the most important mid-term election in our history. For those who say, "I don't vote for the party, I vote for the person." We say, "The person is the party!" Once in office, the person will govern according to their political party. What's the difference between the Parties? [Mat Staver](#), founder of [Liberty Council](#), says, "The Republican Party platform is the most conservative in history, while the Democrat is the most radical and socialist. It's a difference between life and death, good and evil, morality vs immorality, homosexuality vs religious freedom, rule by the Constitution or the whims of a few elites."

11/11/2018 A Tribute to Veterans #1597

On the Korean Memorial are these words, "Freedom is not free!" Think of the high price paid by our brave veterans. Many gave their tomorrows for our todays. This Veterans Day, inspirational program features a captivating account by Korean veteran [Ed Reeves](#), who fought for his life in minus 30 to 40 degree temperatures. It was so cold, the bullet holes in his body froze shut and kept him from bleeding to death. Even after almost all the others were killed, [Ed Reeves](#) clung to his faith and Bible, and fought on despite his life-threatening wounds without ammunition. This miraculous account is spell binding.

11/24/2018 Thankful for God Pt 1 #1598

Schools teach that Thanksgiving was a feast when the Pilgrims gave thanks to the Indians instead of to God. [Peter Marshall](#), author of [The Light and The Glory](#), describes the first Thanksgiving when Pilgrims were starving with only 5 kernels of corn a day. [Peter Marshall](#) says The Pilgrims came here to bring the gospel to the Indians. [Connie Ricks](#), a 4th grade teacher, reads the diary of a girl who came over on the Mayflower and the struggles they endured. [Dr John Pafford](#) says it was the strong Christian faith of the Pilgrims that established this nation as a Christian commonwealth and fostered a free market economy.

11/23/2018 Thankful for America Pt 2 #1599

We take our freedoms for granted. But powerful forces want to change our nation to socialist even communist. Marxist professors misuse their freedom to mislead naïve students into believing the lies of socialism and communism! [Jamie Glasov](#) describes the terror and oppression in the USSR vs the freedom and abundance here. He says university professors teach that communism is wonderful and capitalism is oppressive! What would it be like to live in a communist country? [Quong Win](#) survived communism in Viet Nam. Holocaust survivor, [Maria Rybarczyk](#) describes the joys of coming to paradise -America!

12/02/2018 Not of This World #1600

Cuban refugee, turned successful business owner, [Aurelio Barreto](#), founder of [C28 Christian Stores](#), where over 16,000 people have received the Lord, and author of [Not of This World](#), came here with nothing but became a multimillionaire yet was unfulfilled. He screamed at God, "If this is all there is, I want to die!" Christ was right there to give his life meaning. Now he says, "If you have marital or other overwhelming problems, it's because you're not putting Christ first! He says, "If I lost everything but had Christ, I would have it all. I will take all the trials of life and with Christ I can do all things. "

12/09/18 The Truth of Noahs Flood #1601

Is the Genesis Flood true history or just a fable? There is scientific evidence for the Flood. A scientist with ICR, [Dr Frank Sherwin](#), explains how the steep walls in the Grand Canyon show a rapid rush of water that was formed by the Flood. Why did God destroy all the billions (4-7) of people and animals in the Great Flood? What would the Flood have looked like? [Tom Dooley](#), author of [The True Story of Noah's Ark](#), describes the Ark, the **firmament** or the water canopy that fell to earth and the fountains of the deep! What would it have been like to step off the Ark into the *New World*? This is a *fascinating program*

12/16/2018 The Elimination of Christmas #1602

Christmas is celebrated throughout the world *except in American public schools*. [Joe Infranco](#), of *Alliance Defense Fund*, says, "It's not just the elimination of a holiday, but persecution." [John Whitehead](#), of *The Rutherford Inst.* says, "The 9th Circuit Court ruled that the *instrumental* version of Ave Maria is *unconstitutional* because someone might *think* it's religious." [David Limbaugh](#), author of [Persecution](#), says "Christianity is targeted *for extinction*." **Steve**

Halliday, author of [Mighty God: The Enduring Mystery of Emmanuel](#), says, "Christmas is not just the baby in the manger, but the birth of Mighty God Himself!"

12/23/2018 True Meaning of Christmas #1603

It's amazing that the God who created everything from nothing came to earth as a single cell. [Bruce Marchiano](#), the gifted actor who played the part of Jesus in more movies than any other actor, gives a profound description of the joy and wonder of Jesus Christ. Jesus was a *man of joy* demonstrating the Kingdom with miraculous signs. He came to serve and give people healing and life, but many, to their own detriment, walked away. God gave up the riches of heaven to live a humble life and die for others. God in the flesh describes Himself as gentle and humble. He is a sensitive man full of love for lost people.

12/30/2018 Trial by Fire #1604

The great US Senate Chaplain, [Peter Marshall Sr.](#), gave a fiery sermon, *Trial By Fire*, that shook our nation. As Elijah challenged Israel, Peter Marshall challenged Americans in the mid 1940's to choose between following Christ or Ba'al. Many Americans live in a moral fog that knows no absolutes but a confused grey. What does America stand for to those who have sacrificed so much in war? Is this nation worth dying for? If we no longer follow the Lord, stop pretending to be a Christian nation. Without God, we can't move mountains but stumble over molehills. America will be governed by God or ruled by tyrants.

Ministry Profile

Ministry Profile, *formerly Pastor's Profile*, is a weekly 15 minute interview show, hosted by Len Pera. Lastly, we invite the guest to share about their church and what it is like to attend there; how services are put together, missions they are involved with locally and globally, family events, and classes they offer, etc.

Ministry Profile is aired every Saturday 5:00 pm, Sunday 8:30 pm
