4rd Quarter 2016

1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

The Following Programs for this Quarter Include

Guest: Bishop Jackson Date : 10/02/16

Issue: Political correctness

The greatest threat to our nation is apathy and ignorance, presuming God will continue to bless our nation, despite our disobedience. Christ commanded His followers to BE salt and light. If you don't vote, how are you salt and light? Pastor, attorney, and candidate for US Senate, [Bishop Jackson](#), says, "The future of our nation hangs in the balance of this one crucial election." For the first time in our history, the Democrat candidate for President has been interrogated by the FBI for criminal charges. She boasts how she, as Secretary of State, spread the LGBT (homosexual) agenda throughout the world.

Guest: Matt Staver Date: 10/09/16

Issue: Importance of voting Part 1

Millions of Christians don't vote, then ask, "What went wrong?" For those who say, "God will put into office who He wants." Did God want Bill Clinton or Obama? For those who say, "You can't legislate morality," all laws are someone's morality. Laws against slavery, murder and theft are legislations of morality. The Republican Party platform is the most conservative in history, while the Democrat's is the most radical. It's the difference between good and evil and morality and immorality. [Matt Staver](#), of [Liberty Council](#) says, "If we make the wrong choice in this crucial election, our nation as we know it is gone."

Guest: Matt Staver Date: 10/16/16 Part 2

Issue: Importance of voting

For Christians who don't vote, you're giving our nation over to anti-Christian forces to rule over us. [Matt Staver](#), founder of [Liberty Council](#), says, "Behind the personalities of the candidates are vast differences in their party platforms." The difference is between life and death, homosexuality versus religious freedom, rule by the Constitution or the whims of between 3-5 radical Justices appointed if the President is the Democrat. This is a spiritual war where the winner will be determined, not by bullets, but by the ballots. If Christians don't vote, we will be persecuted by the most corrupt and evil rulers in history.

Guest: Pastor Jim Garlow Date: 10/23/16

Issue: Biblical Answers to current social Issues Part 1

America was a model for the world as a Christian nation. But now our nation is on the verge of God's judgment. Why have pastors become silent on social and political issues? Pastor [Jim Garlow](#), of [Skyline Church](#) and author of [Well Versed - Biblical Answers to Today's Tough Issues](#), says, "Polls show Christians want their Pastors to teach on Biblical solutions to issues, but silence from the pulpit has led to Biblical illiteracy. We have violated God's Word on these issues. It's not a matter of opinion but what God says in His Word on these issues." What about church tax status and the separation of church and state?

Guest: Pastor Jim Garlow Date: 10/30/16

Issue: Biblical Answers to current social Issues Part 2

The Bible tells us to pray for those in authority. We need an outpouring of prayer for this crucial election. Pastor [Jim Garlow](#), of [Skyline Church](#) and author of [Well Versed - Biblical Answers to Today's Tough Issues](#), says, "Many pastors say they don't discuss politics. Does that mean they would have remained silent on slavery? That was political." We aren't electing a pastor but a President. God raised a pagan King Cyrus and a coarse Churchill, because they were right for that time. So has God raised up Trump? Biblically illiterate Christians don't connect elections to persecution, degeneracy and judgment

Guest: Wayne Root Date: 11/06/16

Issue: Capitalism Verses Socialism in the election

With an increase in Muslim terrorism, why do Obama and Hillary want to increase Muslim immigration? [Wayne Root](#), author of [Angry White Male - How the Donald Trump Phenomena is Changing America](#), was a classmate of Obama's and says they were taught by Marxist profs how to destroy the middle class and capitalism to create a socialist nation. The basics that made America great, love of God, country and capitalism, are threatened by radical powerful elites that hate America and want it to be another 3rd world Marxist nation! What would be the difference between a Trump & Hillary Presidency?

Guest: Jay Richards Date: 11/13/16

Issue: Capitalism Verses Socialism and poverty

Professors have convinced many impressionable students that Marxism helps the poor more than capitalism. But socialism and communism not only haven't helped the poor but *slaughtered* them. The USSR and China slaughtered about 100 million people in the last century. What's the difference between a liberalism, socialism and communism? Jesus and the early Christians were not socialists! [Jay Richards](#), author of [Money, Greed, & God](#), dispels economic myths that lead students to become socialists. How do moral issues affect economic issues? The biggest cause of poverty is single motherhood.

Guest: Peter Mardhall Date: 11/20/16

Issue: History of Thanksgiving

Schools teach that Thanksgiving was a feast for racial harmony with Indians instead of Pilgrims giving thanks to God. Peter Marshall, author of [The Light and The Glory](#), describes the first Thanksgiving when Pilgrims were starving with only 5 kernels of corn a day. Connie Ricks a 4th grade teacher reads the diary of a girl who came over on the Mayflower and the struggles they endured. Why did the Pilgrims come here? Peter Marshall says they came here to bring the gospel to the Indians. Vaughn Shatzer, author of [The History of American](#), describes how Christianity was foundational for Law and education

Guest: Merlin Carothers Date: 11/27/16

Issue: Thanksgiving. being thankful in every circumstance

Do you thank God for every situation in your life, even the bad ones? Could you thank God for a child with ADHD or blindness? God has a gift for you that will enable you to go through the worst of times and enrich you to enjoy the best of times. [Merlin Carothers](#), author of [Prison to Praise](#), which isn't about a prison with bars but a prison of

circumstances, says praising the Lord in bad circumstances demonstrates trust in Him. Praise is not a magic formula to manipulate God but genuine gratitude that pleases God and gives you His peace and joy and sometimes-miraculous answers. Praise works wonders!

Guest: Aurelio Barreto Date: 12/04/16

Issue: Socialism and poverty

As students get a socialist education they become socialists. But socialism only brings poverty. Cuban refugee turned successful business owner, Aurelio Barreto, founder of C28 Christian Stores and author of [Not of This World](#), tells how socialism stole his family's wealth in Cuba. Although he started with nothing in L.A., he became a multimillionaire through his Christian stores. But many malls would not let a Christian store in because it was too "controversial." Over 16,000 people have received Christ through his stores. Aurelio says, "If I lost everything but still had Christ, I would have it all."

Guest: Don Landis Date: 12/11/16

Issue: History of man, evolution verses Bible

As students get a socialist education they become socialists. But socialism only brings poverty. Cuban refugee turned successful business owner, Aurelio Barreto, founder of C28 Christian Stores and author of [Not of This World](#), tells how socialism stole his family's wealth in Cuba. Although he started with nothing in L.A., he became a multimillionaire through his Christian stores. But many malls would not let a Christian store in because it was too "controversial." Over 16,000 people have received Christ through his stores. Aurelio says, "If I lost everything but still had Christ, I would have it all."

Guest: Bruce Marchiano Date: 12/18/16

Issue: Christmas special Part 1

What is God like? Hundreds of years before the birth of Christ, Isaiah prophesied about Christ, "Unto us a Son is given: and His Name shall be called Mighty God, the everlasting Father." Was Jesus really God? Was He the Creator? He was. God came to the earth He created in the smallest form possible, as a single cell. Film maker [Bruce Marchiano](#), who acted the parts of Jesus in more films than any other, is the author of [Jesus Yesterday, Today and Forever](#). What was Jesus like as a child? What was it like for Mary, expecting Jesus to rule the world, to see Him crucified? Why did Jesus have so much supernatural joy?

Guest: Max Lucado Date: 12/25/16

Issue: Christmas Special Part 2

The Christmas Spirit goes far beyond gifts, friends, family and music. Renowned author, [Max Lucado](#), author of [3:16-The Numbers of Hope](#), says people never tire of hearing about God's love for them. Jesus went from holding the stars in His hands to clutching Mary's little finger. Why did He come to earth? He stopped the storm at sea but allowed soldiers to nail Him to the cross. [Bruce Marchiano](#), the gifted actor who played the part of Jesus in the [Gospel According to Matthew](#), gives an inspirational description of Jesus you will never forget. Jesus' love is profound, but have you fully experienced Christ's love?

Issue/s Addressed: Public Health, Spiritual Growth, Practical Christian Living : Love In Parts 1 and 2

In this second part, Kim Sandlan Executive Director of Love In The Name Of Christ Kalamazoo, expounds on how this National organization comes alongside the Church to unite the existing gap of benevolent resources and talents currently operating independently in order to equip the needy with the skills, education, and Biblical training so that they not only meet the needs of the benevolent, but prepare them to not become dependent upon others on a long-term basis to provide for their needs. Love, Inc. believes one church alone cannot deal with all the complex issues of poverty, but that it takes churches working together, across denominational lines, to meet these multifaceted needs. Furthermore, Love, Inc can do what the others can't, by educating the needs to become independent of agencies, charities and government programs that often provide a safety net, but lack the ability to create transformation in lives like Love In the Name Of Christ can. For more information about Love In the Name of Christ, go online to www.loveinc.org or kzooloveinc.org for the Kalamazoo location.
