1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact

that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

10/3/21 New Texas Heartbeat Law 1748

The Supreme Court has let the Texas Heartbeat Law stand, giving us the biggest pro-life victory in decades! This may end the abortion holocaust. Cuts of Texas Gov. Greg Abbott and Shannon Bream of Fox News. Ray Comfort, evangelist and producer of the film "180," changes minds about abortion 180 degrees by comparing the killing babies in abortion to killing Jews in Nazi Germany. To say it's a woman's choice is comparable to saying it was Hitler's choice to kill Jews. Troy Newman, president of *Operation Rescue* and author of *Their Blood Cries Out*, says that abortion is not simply "a girl's choice," but killing a live baby.

10/10/21 Coming to America To Be Saved 1749

With the huge influx of Afghan refugees, and with our southern border wide open, God is giving us opportunities to give them the gospel! There are Muslim terrorists coming in with them like Kamal Saleem, a Muslim terrorist who came to recruit students into Jihad, but through a life threatening car accident, he turned to Christ, and Christ appeared to him. How could anything other than an authentic experience with the Risen Christ explain the complete transformation of the hardened mind of this Muslim terrorist? Kamal is a fearless and zealous Christian who goes into Mosques to convert Muslims to Christ.

10/17/21 The Faith of the Martyrs 1750

How did just a small group of Christians change the world, yet today millions of Christians are changed by the world? Ted Byfield, author of *The Christians: Their First Two Thousand Years*, says the world was convinced of the truth of the gospel, because Christians demonstrated their faith through the most gruesome tortures and death. Todd Nettleson, with the *Voice of the Martyrs*, gives fascinating accounts from his book *Extreme Devotion*, such as the mother who refused to deny Christ despite being forced to watch her children hanged, and she was run over by a steamroller. Supernatural courage originates with God.

10/24/21 The Dangers of Islam 1751

Why are public schools promoting Islam when Christianity gave us freedom and prosperity? Martin Mawyer, author of *Twilight In America - The Untold Story of Islamic Terrorist Training Camps Inside America*, describes the 3 dozen camps he has personally seen and how they plan to take over America for Allah. Dr Bob Morey, an expert on Islam, and author of over 40 books, with two doctorates, says Muslims are planning a massive attack (with a nuclear device) in America to bring this nation under subjection to the barbaric Sharia Law. How can we prevent and even defeat this coming Islamic devastating attack?

10/31/21 Where's America in the End Times? 1752

What happens to America in end times? Dennis Prager tells of a teacher who says the American flag is a symbol of oppression. To those in communist countries, our flag represents freedom. Steve Hilton, host of *The Next Revolution*, says the Biden Administration is an enemy to our nation. Prophecy expert, **Amir Tsarfati**, author of *The Day Approaching* and *Israel & the Church*, describes us leaving heaven to follow Christ back to earth to end the Great Tribulation, then rule with Him in the Millennium in our Resurrected bodies and finally live forever in the New Jerusalem. We are closer to the Rapture than ever.

11/7/21 Our Valiant Veterans 1753

On the Korean Memorial are these words, "Freedom is not free!" Think of the high price paid by our brave veterans. Many gave their tomorrows for our today's. This Veterans Day inspirational program features a captivating account by Korean veteran Ed Reeves, who fought for his life in minus 30 to 40 degree temperatures. It was so cold, the bullet holes in his body froze shut and kept him from bleeding to death. Even after almost all the others were killed, Ed Reeves clung to his faith and Bible, and fought on despite his life-threatening wounds without ammunition. This miraculous account is spell binding.

11/14/21 The Myth of Evolution 1754 Who's right, the public school *science* teacher or the pastor? Most pastors don't teach the scientific source of origins but leave that to the secular science teachers. Is it any wonder a majority of public school students become evolutionists? James Perloff, author of *Tornado in a Junkyard* and *The Case Against Darwin*, gives solid scientific reasons to believe the Biblical account and reject the myth of evolution. Darwin didn't know about genetics, but we know now that genetics disproves evolution. The consequences of evolution are endemic as seen in the evils of abortion and communism. Marx saw people as evolved animals.

11/21/21 Thanksgiving 1755 Pastor Garrett Lear, whose ancestors came here on the Mayflower, says this Christian country is being stolen! Peter Marshall, author of *The Light and The Glory*, says the Pilgrims didn't come here for religious freedom but they came here as missionaries. The Pilgrims were starving, with only 5 kernels of corn a day, but God brought an English speaking Indian who taught them survival skills. Dr John Pafford says it was the strong Christian faith of the Pilgrims that established this nation as a Christian commonwealth and fostered a free market economy. Vaughn Shatzer says Christianity was foundational to all aspects of life.

11/28/21 Marxist Threat to Freedom of Speech p 1 1756

The Biden administration unleashed the FBI, not against jihadists, nor Chinese spies or drug cartels, but moms and dads speaking at school boards. The evil forces behind the Biden administration are silencing free speech, but it's part of the Marxist agenda says TV host Judge Jeanine Pirro. Senators Ted Cruz and Tom Cotton angrily grilled Attorney General Garland during a Senate hearing-calling parents domestic terrorists liable for prosecution for speaking out against the Marxist CRT. Rep Veronica Spartz, born in the USSR, knows what it's like to live in fear, says the trend here is much the same as USSR.

12/5/21 Marxist Threat to Freedom of Speech p 2 1757

Rep, Jim Jordan says that parents who protest critical race theory are called domestic terrorists by the Justice Department. An angry dad was arrested for protesting the rape of his daughter in the girl's restroom by a 'trans' boy dressed like a girl. Xi Van Fleet lived in China during the communist Cultural Revolution says it's very similar to what's happening here. Dr Carol Swain says we are at a 'do or die' moment in our nation. Senator Josh Hawley says parents are being told that if they express their views at a school board, they can be investigated for terrorism. Silencing free speech is a threat to all our freedoms.

12/12/21

Are you ruled by the *tyranny of the urgent*, hurrying through life and not enjoying it? Are you addicted to being busy or to your i- phone? Hurry, anxiety and stress are enemies of a healthy spiritual life that separate us from God. John Mark Comer gave up his 7000-member mega-church, because he was burned out. He now pastors a smaller church in Portland. John Mark Comer, the author of *The Relentless Elimination of Hurry*, says Jesus's life was not hurried but full of peace, love and joy. Slow down, spend time with God and have a *better life*. Since Jesus needed solitary time in prayer, *how much more do we?*

12/19/21 Abundant Life in Jesus, pt 2 1759 There's plenty of information but little transformation! People know what Jesus taught but not how He lived. Stephen Smith, author of *The Jesus Life, Eight Ways to Recover Authentic Christianity*, says "Jesus was not stressed as many of us are today. He enjoyed life with dinners, debates and long walks with his disciples, yet He regularly got away to be alone in prayer. The dinner table is more than simply eating but fellowship and acceptance." Love is the most powerful force in the universe. Love changes atheists into followers of Christ. To live as Jesus lived means to *savor and enjoy* life not just endure it.

12/26/21 Christmas Special 1760

It's amazing that the God who created everything from nothing came to earth as a single cell. Bruce Marchiano, the gifted actor who played the part of Jesus in more movies than any other actor, gives a profound description of the joy and wonder of Jesus Christ. Jesus was a *man of joy* demonstrating the Kingdom with miraculous signs. He came to serve and give people healing and life, but many, to their own detriment, walked away. God gave up the riches of heaven to live a humble life and die for others. God in the flesh describes Himself as gentle and humble. He is a sensitive man full of love for lost people.
