1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

The Following Programs for this Quarter Include

10/06/2019 The Imminent Return of Jesus part 1 #1644

What are the signs of Jesus' return? Just as unbelievers scoffed at Israel becoming a nation so they scoff at the rapture in which Jesus will come down from heaven and call believers up to meet Him in the sky and transform their earthly body into a spirit body. Prophecy expert, [Dr David Reagan](#), is the founder of *Lamb & Lion Ministries* and author of [Living on Borrowed Time - The Imminent Return of Jesus](#). How is the rapture different from the Second Coming of Jesus? Jesus referred to the fig tree (re-established Israel) sending out shoots to indicate His return is near. That this generation will not pass away until He returns.

10/13/2019 The Imminent Return of Jesus part 2 #1645

Ancient Israel never thought they would come under God's wrath. But they did. Prophecy expert, [Dr David Reagan](#), the founder of *Lamb & Lion Ministries* and author of [God's Prophetic Voices to America](#), says God is patient but here comes a tipping point of no return! How does the anti-Christ & re-built temple fit with Jesus coming? Famed writer Solzhenitsyn said the reason Russia lost 60 million Russians was because they had forgotten God. Before satellite TV, people couldn't understand how God's witnesses in Rev 11 could be seen worldwide. Holograms & virtual reality show prophecy is becoming reality.

10/20/2019 When Hitler was in Power #1646

"Hitler didn't take Austria by force; we elected that monster in 1938 when 98% voted to annex Austria to Germany, because 30% of Austrians were out of work. I'm an *eyewitness* to history," said [Kitty Werthmann](#). What was it like to live under Nazi (the National *Socialist* Party) Germany with Hitler? Are there parallels in our nation today? A socialist bureaucracy takes control over guns, education, healthcare, and the economy -with massive spending that leads to hyperinflation. Out of 18,000 German pastors, only 200 refused to sign a loyalty oath to Hitler. Many Germans said Hitler was a gift from God.

10/27/2019 Founders Vision for Education #1647

How can America get back to the ideas that made it the greatest Christian nation in history? [Peter Marshall](#), author of [The Light and The Glory](#), says, "Colonial New England produced the most incredibly, well-educated generation of Founding Fathers who were not only brilliant, but they were full of Godly Character." Amazing achievements include the revival at Yale led by its president; Jonathan Trumble read the entire Bible at age 4 and passed the entrance exam to Yale at age 7. John Quincy Adams was an ambassador to Russia at age 14. Without absolute values, corruption and destruction are certain.

11/03/2019 Fearfully and Wonderfully Made part 1 #1648

God brilliantly knit our bodies together to show His creative genius. God's creative genius in the physical realms leads us to want to know Him. Best selling author, [Philip Yancy](#), author of [Fearfully and Wonderfully](#), who survived a near fatal car accident, surprisingly talks about the benefits of pain. Until God became flesh as Jesus, he had not truly experienced pain and suffering as we do. If you want to know how God feels about our pain and suffering look at how Jesus responded when He was on earth. Without Jesus, we would not know *the love of God*. The inspiration behind "Fearfully" is surgeon Paul Brand.

11/10/2019 Fearfully and Wonderfully Made part 2 #1649

"Jesus departed, leaving no body on earth except the faltering, bumbling community known as the body of Christ, wrote award winning author, [Philip Yancy](#), author of [Fearfully and Wonderfully](#). He said, "I have learned that faith means trusting in advance what will only make sense in reverse." When we look back, we can see that God was working in our situation to make us more like Jesus. Christ shows His love through us as famed surgeon Dr Paul Brand showed when he treated Jose when leprosy robbed him of sight, smell, hearing and touch. But Jose was given new life after surgery restored his sight.

11/17/2019 The Oracle part 1 #1650

One of the greatest proofs that the Bible is God's actual Word is fulfilled prophecy. [Jonathan Cahn](#) author of [The Oracle- The Jubilean Mysteries Unveiled](#), says "A principle in the Bible is called a *Year of Jubilee*, when the original owner would get his home and land back. Every 50 years is a year of Jubilee." But Cahn says, "The one thing that Israel didn't get back in the Jubilee, was Jerusalem, until Donald Trump fulfilled prophecy by officially recognizing Jerusalem as Israel's capital exactly 50 years after Israel won Jerusalem in the 6-day war of 1967." We are living in the most prophetic of times and in the end times.

11/24/2019 The Oracle part 2 #1651

How do ancient prophecies in the Bible determine events in world today? God weaves human events like a tapestry to fulfill prophecy. [Jonathan Cahn](#) author of [The Oracle- The Jubilean Mysteries Unveiled](#), says, "Mysteries written in the Middle East 3,000 years ago are determining events of our day and will determine what will happen in the future." The Jubilee mysteries include Moses to Mark Twain, to Donald Trump, from the fall of empires to the rise of America. The same day the UN voted to restore Israel was the same day as the Dead Sea Scrolls were discovered. The Word and the nation restored *on the same day*.

12/01/2019 Build the Wall #1652

God devoted an entire book in the Bible to building a wall to protect Jerusalem. Since God ordained a wall to protect Jerusalem, why wouldn't God want a wall to protect America? People living on the border have to carry a gun on their own property for protection from the hundreds of illegals smuggling drugs and people across their land. [Wayne Root](#), host of national TV and radio programs, says private citizens need to help fund a border wall since the Democrat Congress won't do it. What's the Democrat strategy for the upcoming election? Just impeach the President? A Republican wave is coming!

12/08/2019 A Memorial for Our Mentor #1653

Christians have been the most courageous people in witnessing before kings, courts and classrooms. One of God's mighty men was [Dr Robert Simonds](#), who entered the loving arms of Jesus in September. Dr Simonds, Founder of *The National Association of Christian Educators*, was a bold witness for Christ in the classroom so the ACLU sued him in court! The Lord gave Dr Simonds a brilliant defense and miraculously pressed the heads of the prosecutors to their desks. Dr Simonds says, "If you stand up for Christ, He'll do the rest." A great life fully lived for Christ is now celebrating forever in eternity!

12/15/19 Classic Christmas Composers #1654

Christmas would not be Christmas without Christmas music. It's ironic that public schools censor out any music that mentions Jesus as Lord, yet the greatest musicians were Christians. Mozart, Beethoven, Bach, Handel... were born again Christians who loved our Lord. [Dr Patrick Kavanaugh](#), author of [Devotions from the World of Music](#), and [Raising Musical Kids](#), gives

some fascinating details into the lives of the world's greatest composers and some great ideas how to help your child develop a love for good music. What do you say when your little Mozart wants to quit his music lessons?

12/22/2019 True Meaning of Christmas #1655

. It's amazing that the God who created everything from nothing came to earth as a single cell. [Bruce Marchiano](#), the gifted actor who played the part of Jesus in more movies than any other actor, gives a profound description of the joy and wonder of Jesus Christ. Jesus was a *man of joy* demonstrating the Kingdom with miraculous signs. He came to serve and give people healing and life, but many, to their own detriment, walked away. God gave up the riches of heaven to live a humble life and die for others. God in the flesh describes Himself as gentle and humble. He is a sensitive man full of love for lost people.

12/29/2019 Power in Praise #1656

Do you thank God for every situation in your life, even the bad ones? Could you thank God for a child with ADHD or blindness? God has a gift for you that will enable you to go through the worst of times and enrich you to enjoy the best of times. [Merlin Carothers](#), author of [Prison to Praise](#), which isn't about a prison with bars but a prison of circumstances, says praising the Lord in bad circumstances demonstrates trust in Him. *Praise is not a magic formula* to manipulate God but *genuine gratitude* that pleases God and gives you His peace and joy and sometimes-miraculous answers. Praise works wonders!
