

Issues and Programs Report
for
WJCO
91.3 FM Montpelier, Indiana
1st Quarter 2021

1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more

knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage,

find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming

with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with an inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary

Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true

safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of

what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

The Following Programs for this Quarter Include

1/2/21 Eternal Judgment, pt 2 1709

Is hell a literal place with real people suffering forever? Best selling author Bill Weise, author of *Twenty Three Minutes in Hell*, describes his incredibly detailed vision of hell. Bill graphically describes the stench, the flames, the screaming and the demons! If your sins are not forgiven on earth, they will never be forgiven in hell. If you don't believe that Christ's sacrifice for payment of your sins can save you, you're calling God a liar. The Lord took Bill's spirit to hell to warn people and thousands have come to faith because of it. If you could go to heaven because of your good deeds, then Jesus died for nothing!

1/9/21 How Evil Works 1710 How has our nation gone from Christian to a nation where Christianity is criminalized? Where evil is called good and good is called evil. Not long ago, Marxism and socialism were scorned, but now universities indoctrinate students into Marxist ideas and hate for country and capitalism. David Kupelian, author of *The Snapping of the American Mind*, says words have been changed to mean the exact opposite of what they used to mean. Tolerance means *intolerance of Christians*. The horror of killing a baby is simply a woman's choice. Why are 4 to 5 million healthy boys labeled ADHD and put on drugs?

1/16/21 The Right to Life 1711

Can you imagine the owner of the abortion clinic coming into *your child's school* to teach children sex ed? The abortion clinic owner, Carol Everett, author of *Blood Money*, said that's exactly what she did, because it increased her abortion business. Her clinic prescribed birth control pills they knew would enable girls to become pregnant. Carol Everett, who was responsible for the deaths of over 35,000 babies, tells the truth about sex ed. *Planned Parenthood* counselors have degenerated into telling children to experiment with deviant sexual behavior. Anyone with kids in school needs to hear this fascinating program.

1/23/21 AntiChrist: -The Great Imposter, p 1 1712

Is the Antichrist on earth now? How will most *professing* Christians be deceived by the Antichrist? Jesus said, "Because of the increase of wickedness, the love of most will grow cold." Cuts of Pastor John Hagee saying, "The Antichrist will produce a one world government and one world religion." Charles Crismier, author of *Antichrist – How to Identify the Coming Imposter*, said, "Without the *mark of the beast*, you cannot buy or sell, thus you could starve. But the Bible says that the Antichrist and those who take his mark will spend eternity in hell." The world will be receptive to the "man of peace" to quell the chaos.

1/30/21 AntiChrist: -The Great Imposter, p 2 1713 Because of God's love, He is giving us a warning of how to identify the great deceiver. There is coming a time of great testing of everyone's faith. Pastor John Hagee says, "Our nation has been deceived by globalists who depend on submissive Americans." Charles Crismier, author of *Antichrist – How to Identify the Coming Imposter*, said, "This nation is so deceived, we are ripe to accept the Antichrist. Was the fraud in the last election planned to create a one-world government? Could the Covid vaccine include a tiny chip, a mark, become mandatory proof of vaccination? Is our nation turning communist?"

2/6/21 Bonhoeffer's Dedication to Christ, pt 1 1714

The way to teach character is through role models and biographies. Brilliant young German theologian, Dietrich Bonhoeffer, author of *The Cost of Discipleship*, challenged Hitler and the compromised German Church. Because Bonhoeffer lived a Cross centered life, he also died a martyr's death at the age of 39. Professor Stephen Nichols, professor at *Lancaster Bible College* and the author of *Bonhoeffer – On the Christian Life, From The Cross, For The World*, sees parallels between Germany in Bonhoeffer's day and our society today and what it means to be a true disciple. "Silence in the face of evil is itself evil," wrote Bonhoeffer.

2/13/21 Horrors of the Holocaust, pt 2 1715

How do you kill 11 million people? Andy Andrews, author of *How Do You Kill 11 Million People? - Why The Truth Matters More Than You Think*, says 11 million people is the number killed by Nazi's from 1933 to 1945. Why couldn't they have fought back? They were lied to by Nazi leaders like Eichmann, and they believed it. Hilmar Von Campe, was a German

soldier under Hitler, says we are being led down the same socialist road that Germany went down. Are we just one national disaster away from tyranny? Hilmar gives a wake up call so we don't fall into the same terrifying Nazi-style totalitarian abyss Germany did.

2/20/21 Taking A Courageous Stand, pt 1 1716 Pastor Jack Hibbs of *Calvary Chapel Chino Hills, Ca.*, said, "In less than a year, America has gone from being the pinnacle of power, freedom and prosperity to now fear, confusion and oppression. America as we've known it *is no more!* The opening prayer for Congress called on Brahma the god in Hinduism!" Pastor Erwin Lutzer, author of *We Will Not Be Silenced – Responding to Our Culture's Assault on Christianity*, said, "While our culture has been transformed the Church has remained silent. We're calling for the Church to stand up courageously against this assault; to replace complacency with courage!"

2/27/21 Taking A Courageous Stand, pt 2 1717

Has America been conquered? We've raised generations on socialism and now have a Marxist government! Pastor Jack Hibbs said, "The Democrat rule in D.C. will use their unchecked power to lead our populace into becoming a compliant populace reducing us to a global state." Pastor Erwin Lutzer, author of *We Will Not Be Silenced – Responding to Our Culture's Assault on Christianity*, said, "With conservative speech silenced, with pornographic sex ed, and transgenderism, with the break up of the family, Marxism will have accomplished its goal to demoralize youth, cause confusion and result in tyranny and communism.

3/6/21 How To Change America 1718

The prayers of millions of Christians didn't produce the results we wanted. Most Christians are unaware of the spiritual assault on our nation and don't know how to counter it. David Barton of *Wallbuilders* says the church has the wrong strategy by focusing on "bigger is better", *on conversion and not discipleship*. Jesus had huge crowds but the crowds didn't change the world. It was the dozen *mentored disciples* who did. The *War for Independence* was won with local victories. To change America we need to focus on our local battles. John Quincy Adams was mentored to become one of America's greatest Founders.

3/13/21 On Wings Like Eagles 1719

The majestic eagle is a symbol of strength and freedom. Just as opposing winds cause an eagle to soar higher, so *adversity* strengthens Godly people. So when adversity comes, don't let it get you down, let it **push you up** as you draw closer to God. Inspirational speaker, Gary Horton, says the female eagle tests the male eagle to be sure he will be there to catch the little eaglet as he falls from the nest. So too, we can trust our Lord to be there to catch us when we fall. Mary Wheelchel, author of *Soaring on High - Spiritual Insights from The Life of An Eagle*, makes parallels between God's amazing eagle and Christians.

3/20/21 Communist Subversion pt 1 1720 The Communist Manifesto is *the most assigned economics book on US college campuses!* In 1984, a Russian KGB officer, **Yuri Bezmenov**, author of *Love Letter to America*, in a one-hour presentation, reveals the KGB strategy to use our education system to replace the ideas of free enterprise and capitalism to teach ideas of social justice, equality and redistribution of wealth! Without knowing their true American history, students are easily brainwashed to hate our nation and bring it down! Trump's *1776 Commission* to teach our true history and patriotism has been abolished by Biden. Are we becoming a communist nation?

3/27/21 The Evils of Communism pt 2 1721 Seventy percent of millennials and 64% of Gen Z said they'd be somewhat or extremely likely to vote for a socialist candidate!

Jamie Glazov, editor of *Frontpage Magazine*, and author of *High Noon for America: The Coming Showdown*, immigrated from the USSR and describes the terror and oppression under Communism! As a graduate student, Jamie tells how professors taught that communism is wonderful and capitalism is oppressive! Russian military scientist, Dr Igor Shafhid, author of *Inside the Red Zone*, says, "We could lose a city to terrorists and recover, but if we adopt a communist ideology, the whole country is lost."
