2nd Quarter 2019

1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

The Following Programs for this Quarter Include

04/07/2019 What is Your Purpose in Life? #1618

What is the purpose of your life? If your life has a purpose, your life will be fulfilling and you will have a deep sense of joy. At the end of your life, don't you want your life to matter? [Richard E. Simmons](#), author of [The Reason for Life - Why Did God put Me Here?](#), says "Just as happiness is a by-product of a meaningful life, so futility is a by-product of a worldly life." Tom Brady winner of 6 super bowls said, "There has to be something greater for my life." Navy Seals were shocked that the hostages they tried to rescue wouldn't leave until one Seal'became one of them'. That's what God did. He become one of us.

04/14/2019 A Terrorist Comes to Christ #1619

American universities have become breeding grounds for recruiting students into Islam! [Kamal Saleem](#), a Muslim terrorist trained to kill infidels, went on his first mission to kill Israelis at age 7. He came to America to recruit students into Jihad, but through a life threatening car accident, he turned to Christ, and Christ appeared to him. How could anything other than an authentic experience with the Risen Christ explain the complete transformation of the hardened mind of this Muslim terrorist? Kamal has become such a fearless and zealous Christian that he goes into Mosques to convert Muslims to Christ.

04/21/2019 The Miracle of the Ressurrection #1620

This is one of the most inspirational programs we have ever made. [William Frey](#), author of [The Dance of Hope](#), tells how the Resurrection was like a news flash - fascinating news that's exciting and life changing! Death no longer has any power over us. Now there's nothing to fear, only expectations of joy in heaven. Although the disciples had lost all hope, they emerged fearless men, unafraid of crucifixion. These transformed men changed the world. Professional actor, [Bruce Marchiano](#), dramatically tells how the lifeless body of Jesus, dead for three days, came vibrantly back to life through God's power.

04/28/2019 The Miracle of Heaven #1621

Is heaven a real, *literal place* or just an ethereal, *vague concept*? What happens after you die? Captain **Dale Black**, author of [*A Pilot's True Story - Flight to Heaven, A Plane Crash, A Lone Survivor, A Journey to Heaven and Back*](#), vividly describes his horrific plane crash and his wondrous experience in an incredibly awesome place -*Heaven*. What do *angels* look like? Jesus promised *mansions* awaiting God's children. What are they like? Dale Black describes Heaven's music and the brilliant colors in grass, flowers, and water. But what impressed him was God's love, filling all of heaven. Dale Black's story is life changing.

05/04/2019 Communism Disguised Part 1 #1622

The threat of communism in America isn't just theoretical but a coming reality. **David Horowitz**, one of the founders of the radical Left in the 1960's and author of [*Dark Agenda - The War To Destroy Christian America*](#), says the Left's strategy is to fundamentally transform this nation from within. The Left isn't just at war against Christianity but at war against all freedom. All freedom has its basis in religious liberty. The identity politics of the Democrat Party is Marxist to pit one American against another, just the opposite of Biblical principles. Social justice is tyrannical redistribution of wealth!

05/11/2019 Communism Disguised Part 2 #1623

Karl Marx, father of communism, said, "The goal of communism is to de-throne God and *destroy capitalism*." Socialism creates the situation for a Stalin or Hitler to come to power. Socialists aren't communists but useful idiots the communists use to get power. **Curtis Bowers**, producer of [*Agenda 2 - Masters of Deceit*](#), said, "Our enemies understand that morality is our greatest strength, that immorality creates corruption and government power until the people demand socialism. Socialists have used our educational system to eliminate absolute values to destroy Christian morality, the foundation of America's strength."

05/19/2019 How to bring Children to Christ #1624

What does it mean to believe in Jesus Christ? What's a false convert? How can you tell if a child is truly saved? Cuts from the movie [*The Atheist Delusion*](#). Almost 9 out of 10 (88%) of church children lose their faith before high school graduation. What can a parent do to be sure their children keep their faith? **Ray Comfort**, evangelist and author of [*How To Bring Your Child To Christ and Keep Them There*](#), says, don't give your children a false image of God. Give them a true balanced view of the God of the Bible not "Santa Claus!" Should you teach children the fear of the Lord to help them overcome temptation?

05/26/2019 Memorial Day Heros #1625

Freedom is not free but purchased at great cost. Memorial Day is a day to remember the sacrifices that paid for our freedoms. **John Steer**, author of [*Wounded Soldier*](#), gives fascinating accounts of his experiences in Viet Nam and how he later took the gospel to Russian generals. **Gary Horton**, a school assembly speaker, was an Army Ranger who fought for our freedoms, yet he's not given the freedom to speak about his Christian faith in public schools. Schools have re-written our history, banned the flag, and banned the motto and the pledge. Horton gives some impassioned words from our courageous soldiers.

06/02/2019 Crisis in the Classroom Part 1 #1626

In this spiritual war for the future of our nation the most crucial battle is over the schoolchildren. **Alex Newman**, author of a series of articles in [The New American: Rescuing Our Children](#), says there is a deliberate dumbing down of children by using a reading method that's a proven failure producing functional illiterates. Are the schools doing what they were designed to do? The founders of public education, Horace Mann and John Dewey, influenced the teacher's colleges so they would unwittingly follow a pattern used in communist countries, to transform America to socialism and communism.

06/09/2019 Crisis in the Classroom Part 2 #1627

Spiritual forces are concentrating on turning this free and democratic nation into a socialist even a communist state, and it's being done through our schools. If God's people will awaken and take action in educating our children, we have a chance to preserve our future. **Alex Newman**, author of a series of articles in [The New American: Rescuing Our Children](#), says the public schools are breaking down the morals of children by confusing them about the gender identity, and bringing drag queens into the classroom under the guise of "career literacy!" Cuts of teachers in the teacher training video *It's Elementary*.

06/16/2019 From Gangbanger to Christ Part 1 #1628

One of the greatest demonstrations of God power is converting an impossible sinner to Christ. **Casey Diaz**, author of [The Shot Caller](#)- was the 'shot caller' who decided who lived and who died. Locked in an 8x10 foot cell without windows, no books, radio or TV, no visitors, caused many men to go crazy. *But prison walls can't keep Jesus out*. Christ gave Casey a vision of his violent life, with Jesus on the cross looking at him saying, "I did this for YOU!" It broke Casey. This hardened killer wept and wept. As a Christian, he was beaten by other prisoners but led many to Christ. Now Casey is a pastor and free.

06/23/19 From Gangbanger to Christ Part 2 #1629

Gangs are responsible for nearly ½ of all violent crimes. Gangs are the greatest threat to everyone's safety. **Casey Diaz**, author of [The Shot Caller- A Latino Gangbanger's Miraculous Escape From a Life of Violence to a New Life in Christ](#), describes how he stabbed and shot rival gang members, invaded homes - preferably when people were there so he could terrorize them. Casey was one of the most notorious, deadly criminals in California. But Christ gave him a miraculous vision, like a movie on the solitary cell wall with Christ on the cross looking down saying, "I did this for you!" Casey is now free and a pastor!

06/30/2019 End Times President #1630

America is in a spiritual/cultural Civil War! One side holds a Biblical worldview, while the other calls for a *globalist* state. Schools propagate ideas of globalism. But what does the Bible say about globalism? Cut of President Trump stating the importance of God & prayer. **Paul McGuire**, author of [Trumpocalypse - The End Times President, a Battle Against the Globalist Elite](#), says, "In the coming one-world globalism

you will be required to take the mark or be martyred. Trump is viciously attacked because he is undermining the global order and confronting the evil system that rules this world."
