### Closed Caption Certification of Internet Programming

FCC rules require video programming distributors to caption programming delivered using IP if it was shown on television with captions.

Please initial those that are applicable:

The following programming satisfies the required caption quality standards

**OR**

The following programming is exempt from the closed captioning rules under one or more properly attained exemptions. **If you are claiming an exemption, please use the space provided below to specify all exemptions that apply**

**OR**

All programming is exempt from the closed captioning rules under one or more properly attained exemptions. **If you are claiming an exemption, please use the space provided below to specify all exemptions that apply**

***Programming is exempt from IP captioning rules because they are not required to be captioned on television.***
