Suicide and Veterans

Vows to Keep Radio

Friday, July 8, 2022 9:00 AM | 25:00

Description: Dave & Tracy Sellars discuss the impact rising inflation is having on marriages struggling to meet their budget. They share 5 ways to not let inflation derail your budget or marriage.

Family Life Today

Monday, August 1, 2022 9:30 PM | 25:00

Tuesday, August 2, 2022 9:30 PM | 25:00

Guest: Eric Schumacher

Description: Dave & Ann Wilson begin a conversation with their guest, who shares the impact dealing with a miscarriage can have on a man, and offers support for men processing a miscarriage. On the second broadcast, their guest recounted his own story of the grief a miscarriage caused in his marriage, and how it ultimately brought them closer together.

The Session

August 11, 2022 9:00 AM | 23:40

Guest: Tom Russell, Heritage Christian Counseling Ministries

Description: Helping children deal with grief can be a difficult process. Tom & Scott discuss how to know if children are having trouble processing grief, what to say, what not to say, and how long the grief process may take in children.

The Session

September 15, 2022 9:00 AM | 24:17

Guest: Tom Russell, Heritage Christian Counseling Ministries

Description: Now more than 20 years past the terrorist attack on the U.S. on Sept. 11, 2001, Tom & Scott discuss the importance of remembering the events of that day, why we should remember them, and the possible effects of the attack may still be having on veterans, first responders, and families.

The Session

September 29, 2022 9:00 AM | 17:46

Guest: Tom Russell, Heritage Christian Counseling Ministries

Description: September is Suicide Awareness Month. 17 members of the U.S. military, active duty or otherwise, commit suicide every day. Tom & Scott talked about the key factors that facilitate suicide among the military, including demographics, depression, anxiety, sexual victimization, substance use, and other factors.
