RECREATIONAL  
BOATING & FISHING  
FOUNDATION

TAKEMEFISHING.org

The past few years have taken a toll, leaving many of us with stress and anxiety. Mental health has never been more important. That's why the Recreational Boating & Fishing Foundation (RBFF) Take Me Fishing™ campaign is encouraging Americans to leave stress in their wake and experience the restorative power of boating and fishing.

A national non-profit organization, the RBFF has been leading the drive for over 20 years to increase participation in recreational boating and fishing. By simply participating in the sport, boaters and anglers help support and protect aquatic habitats and the wildlife that live there. That's because every dollar from a license purchase goes directly toward local conservation, helping to maintain our country's aquatic natural resources.

We hope that you will help inform your audience about the benefits of boating and fishing by airing our newest PSA "**Get on Board**" (:30). This PSA highlights the varied and fun activities that can be enjoyed out on the water and shows that the water is open to everyone. The PSA, which has no end date for use, also encourage listeners to visit [TakeMeFishing.org](http://TakeMeFishing.org) for more information.

We hope your station will air the "**Get on Board**" PSA as soon and as often as possible. In doing so, your audience will see the power of boating and fishing and how this activity can bring families together while helping them escape everyday stressors.
