

KWOD - AM  
QUARTERLY LISTING OF ISSUES & PROGRAMS  
July 1 to September 30, 2023

Each quarter, KWOD-AM places in its Public Inspection File a list of what it considers to have been some of the significant problems and needs of its service area and some of its most significant programming broadcast to help meet those problems and needs.

The attached Quarterly Listing of Problems and Needs is being filed in the Public Inspection File of Station KWOD-AM in accordance with FCC requirements for the three-month period July 1 to September 30, 2023. While this list contains a brief description of much of KWOD-AM's most significant typical and illustrative programs and program segments, it does not include all programs and program segments broadcast by the station during the three months which related to other issues.
