## Respect In The Workplace 2021

# Respectful Workplace Training

E-LEARNING 187008  
(rev.1 10/28/2021)

 Online Course

This course will outline our Company's policies and relevant laws surrounding the prevention of harassment and discrimination in the workplace, and how to be part of fostering an environment that is respectful and inclusive. We will outline what behaviors are prohibited in the workplace and what is expected of you, but also what you should expect from the Company, should you encounter disrespectful behavior in the workplace.

We are committed to creating an environment where everyone feels comfortable speaking up without fear of retaliation, and this course will ensure that you are aware of the resources available to you at NBCUniversal.

You have been assigned this course because you last attended a live, virtual session of Respect in the Workplace in 2020. If you believe you have received this in error, please email [FairEmployment@nbcuni.com](mailto:FairEmployment@nbcuni.com).
