- We may not have electrical outlets for everyone so be prepared to bring portable chargers.

The breakfast/lunch buffet will be open throughout the day. There will be a water and coffee station for you in the fair. **We do ask that you please keep a representative at your table for the entire fair.** Our students make special arrangements to meet with you during this time.

Thank you again. We realize this is a special investment of your time and resources, but we know you are going to be rewarded by meeting some fabulous future interns and employees.

See you at the fair,
