WRPT Pre-Filing Renewal Announcement

On May 17, 2010, WRPT was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until April 1, 2014. Our license will expire on April 1, 2014. We must file an application for license renewal with the FCC on December 1, 2013. When filed, a copy of this application will be available for public inspection at www.fcc.gov. It contains information concerning the station's performance over the last four years.

Individuals who wish to advise the FCC of facts relating to our renewal application, and to whether this station has operated in the public interest, should file comments and petitions with the FCC by March 3, 2014. Further information concerning the FCC's broadcast license renewal process is available at 632 Niagara Court, Duluth, Minnesota 55811 or may be obtained from the FCC, Washington, D.C. 20554, www.fcc.gov.
