Summary: Host: Pastor Brian Mixon Guests: Pastor Enloe Clemons, Pastor Michael Neubert, Pastor Ferris Orange and Pastor Jeff Wiggs. Mixon: *My wife is getting ready for surgery. If she is prescribed a THC agent, will this disrupt our walk with Christ?* Clemons: There are many agents, such as morphine, that doctors use to heal and manage pain. The Good Samaritan took the wine and oil. If it's prescribed by the doctor, it's okay. Remember that Jesus is greater than any disease or ailment and trust and believe in the healing power of Christ. If prescribed drugs, just use them in the right way and trust in God's perfect plan. Neubert: Ezekiel 47 talks about the tree of life; many of our drugs are plant based. God put plants here to assist us. Mixon: If the doctor prescribed it, use it – don't abuse it. Mixon: *Is she committing sin, by not going to church because she's disabled?* Orange: Are you saved by Jesus? Because going to church does not determine your salvation. It is good to meet together, so I encourage you to find a ministry that is able to take you to church. If you can't go, God is a looker of the heart.

Marriage	Ask The Pastor			4/6/2020	ATP021518TCT	57:30	

Summary: Host: Host: L. Lewis Panel: W. Goodman, L. Jackson, G. Jensen, A. Medley, S. Perry. Question: If a man and a woman take vows before God, but they don't have a marriage license, are they still considered married in the eyes of God? Jensen: If you're making a vow to yourself and you're not including a minister, so you're not including God in all of this, you're just doing it yourself, because you're not including the state. This sounds like lawlessness to me. This goes back to the time of the Judges where they do whatever is right in their own eyes instead of having a covering over themselves that says, yes, we have this, we did this the proper way and the right way. I want you to check your heart and ask why you're not doing it according to scripture.

She started writing during disappointments and painful moments. This inspired the book and the litany ministry. ### Ancient Jewish Wisdom

4/7-537 Rabbi's story of riding a train as a child and remembering the dinner bell ring. Rabbi asks Susan if she has any nostalgic things that remind her of a memory. Our bodies react to sound and frequencies-could be how the walls of Jericho fell. Shophar starts 30 days before Rosh Hashanah. Social Media Push.

4/14-538 One of the mistakes we make are preparing for mistakes that we've already made in the past instead of learning from it and focusing on the future. The bad feeling of being unpopular. The first unpopular mother in the Bible – Sarah to her son Isaac and Husband. Abraham is called Hebrew – which means someone that is willing to be unpopular. It feels good to be around like-minded people. Social Media Push.

4/21-539 The difference between how men interact with men they do not know. Women are more interested in people, men are more interested in things/objects. Facts about mass shooters – white males that do not have kids. Statistic about single parents. Social Media push.

4/28-540 If Rabbi and Susan wrote the constitution, what would be different? Rabbi thinks we messed up WW2. Viewer question – why do celebrities get divorced but seem like they still like the person they divorced? Families are supposed to keep struggles private. Marriage is NOT based on true love, emotions come and go – marriage needs to be based on real commitment. Social Media push.

5/5-541 Living in the moment and having mindfulness. Jacob works for the father of his future wife for 7 years before he could marry his wife but it only felt to him like waiting a few days. Why was it so easy for Jacob? He had mindfulness, he focused on one day at a time. It is an important lesson for young people to experience having to wait for their first sexual encounter. It was better that Jacob waited because he used that time to better himself. Social Media push.

5/12-542 The moral message of children's books. Terrible ideas can unify people just as well as good ideas. Example of a verb being singular and should also be in the plural. Social Media push.

5/19-543 One important thing about being a leader is always training someone to come after you to replace you. We do not hear of Moses's sons after they are born, because they didn't take his place. Talk about how before you use to be hired for a job, the employer had to meet your wife as well. When you are leading people, make sure you aren't moving so fast that no one can follow you. Social Media push.

5/26-545 We do not normally acknowledge spiritual growth. In the Bible you are either a child or adult, no adolescence. Story of striking a rock and water will flow out of it. Moses struck the rock instead of hitting it like God instructed. Social Media push.

6/2-546 Napoleon burning the boats so that they cannot leave once they got to where they needed to. People not ready to take on new responsibilities because they are afraid to move up and forward. Entering the land of Israel as frightening and so that is why they didn't want to fight the giants. Social Media push.

6/9-547 Being old isn't mostly based on age, it's based on how you are. The power of the mind is huge, the story of warts being removed by fake medicine. Jacob complains about his age and life and that is why he looked so old, the more he complained, the worse he looked. How you look is a result of how you behave. Social Media push.

6/16-548 It is best to start the day off with prayer, scientific studies say. Rabbi says a viewer called in and said he wasn't holy enough. The most important area of staying holy is in relationships. Being holy is not isolation from other people. Social Media push.

### Joys of Oneness

4/2-164 With: Eddie and Cathy Williams Topic: Getting Rid of Past Hurts and Forgiving. Ephesians 4:26, 1 John 1:9. Buying a gift to move past a fight is a patch, not a fix. God Does love and forgive us but we have to learn to forgive each other. Make those changes so you can get the enemy out of your relationship. Colossians 3:12-14. Praying to see your spouse the way God sees them. Eddie prays. Close.

4/9-165 With: Eddie and Cathy Williams Topic: Becoming Whole –You don't unpack until you're married. 2 Corinthians 5:17, Philippians 2:12, Joshua 1:8, Psalm 25:1-2, Proverbs 4:20-22, John 10:10. Allow God to make changes and fixes in your life. Support.

4/16-166 With: Eddie and Cathy Williams Topic: Anger Topic is introduced. Ephesians 4:26- Before you go to bed at night work it out-sweep it out. Deal with anger by being honest. The Bible says to be angry but do not sin. What is the root of anger- childhood experiences. The enemy gets you to stop talking to each other-anger creeps in. The enemy "trains you" and gets you prepared for the next confrontation. Replays past confrontation in your mind. Proverbs 15 A soft answer turns away wrath. Eddie and Cathy share how they wounded on-another in the past with words. Eddie prays. Close.

4/23-167 With: Eddie and Cathy Williams. Topic: Anger Part 2 Topic is introduced. Proverbs 15:1-2. The enemy will give you words to cut your mate down to shreds. When anger is not fueled it will dissipate. Eddie and Cathy give a hi five to one another. Prov 12:18 Cathy teaches how to pray to God- to help you deal with anger. God can do a deep cleaning inside of your marriage if you let him. Eddie Prays. Close.

5/7-169 With: Eddie and Cathy Williams Topic: Ingredients of Divine Love Part 2 Couples are encouraged to read 1 Corinthians 13:4-8. Eddie and Cathy are transparent and share about when they were rude to one another. Sometimes when you are trying to correct your mate be mindful of how you deliver. Small skit- How small things can blow up-when being selfish and guarded. There are times where we have to decide if it's important to be right or righteous. Cathy says the Lord helped her to get rid of the things that made her feel like she had to be right. Close.

5/14-170 With: Eddie and Cathy Williams Topic: Pain of Guilt and The Power of Forgiveness. Mention- some of the fruits of unforgiveness. When dishonesty comes in it spreads like a wildfire. Question: Should I tell my spouse everything? But were told no secrets in marriage... It takes God to help you address some issues and a strong desire to want too. All sin brings guilt and inner torcher. Sometimes people get trapped and need a way out. God is able to break any yolk. Close.

5/21-171 With: Eddie and Cathy William Topic: Marriage Tips on Communication. Eddie- Early in marriage did not give Cathy his undivided attention. Cathy- Had to learn the signs of why she did not have his undivided attention. Do not put a noose around your mate to be just like you. If you ask God to give you wisdom, he will give you a window of when and how to approach a situation. Find out the interpretation of what your mate is saying by repeating what they said back to them. When you become aware of the enemy's devices, you learn how to shoot him down

5/28-172 With: Eddie and Cathy Williams Topic: Marriage Tips on Communication Part 2. Do not use sarcasm. When you grow God causes you to look at things differently. You have the power to recognize your spouse is not the enemy. Always be ready to compromise. Close.

6/4-173

6/11-174 With: Eddie and Cathy Williams. Topic: Viewer Questions. New wife- I love her but she is a bad cook. What to do? Answer- Cook together or Cook by yourself some days. Get a good recipe-Takes practice. Taking a female co-worker to lunch-Is it ok and how often? Be careful because the enemy will pull up a chair at the table. Be careful of the dialogue. Should a husband tell his wife everything? Answer- He should be accountable-especially if he is having a private issue causing him to hide. There is deliverance in counseling. God will help you get yourself out of situations that you got yourself into. We can defeat so many things on our knees

6/18-175 With: Eddie and Cathy Williams Topic: Dealing with Ourselves. Talked about having unhealthy thoughts. Negativity keeps us in bondage. There is a person inside of us that wants to do right. Book offer. Low self-esteem is demonic- children remember it for a lifetime. The pain of what is bad stays with you. Embracing the word of God strengthens you. Prayer. Close.

6/25-176 With: Eddie and Cathy Williams Topic: Dealing with Ourselves part 2. Easy to deal with other people but you need to focus on yourself. If there are cracks in our souls it's going to eventually begin to drip out. If we do not expose what is happened to us we wind up with a band aid on it. As the one who is the believer in the relationship, we tend to see ourselves as right or more saved. All of us have our negatives. The lord already knows our issues- he is just waiting on us to know it. Sometimes you have to confess and ask for forgiveness from your spouse.
