On December 3, 2014, WOFL was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until February 1, 2021.

Our license will expire on February 1, 2021. We have filed an application for renewal with the FCC. A copy of this application is available for public inspection at [www.fcc.gov](http://www.fcc.gov). It contains information concerning this station's performance during the last eight years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether WOFL has operated in the public interest should file comments and petitions with the FCC by January 1, 2021.

Further information concerning the FCC's broadcast license renewal process is available at [publicfiles.fcc.gov](http://publicfiles.fcc.gov), or may be obtained from the FCC, Washington, DC 20554.
