## FAMILY TALK

**The Frontlines of Pro-Life Conscience and Care Part 2 - HOST: DR. TIM CLINTON - GUEST: DR. CHRISTINA FRANCIS - APRIL 01, 2022**

On today's edition of Family Talk, Dr. Christina Francis, chairwoman of the board of the American Association of Pro-Life Obstetricians and Gynecologists, tells our own Dr. Tim Clinton that she is hopeful that *Roe v. Wade* can be overturned, depending on the result of the *Dobbs v. Jackson* Supreme Court case, to be decided this June. AAPLOG submitted a legal brief in the Mississippi case, supporting the state's ban on abortion after 15 weeks of pregnancy. The pro-life OB-GYNs warn that post-abortive women face a seven times greater likelihood of suicide. Dr. Francis declares, "Abortion is not healthcare, because pregnancy is not a disease. It is a natural process of the body!"

**Hope Heals: Finding Joy in the Midst of Suffering Part 1 - HOST: DR. TIM CLINTON - GUEST: KATHERINE WOLF - APRIL 06, 2022**

One day, Katherine Wolf was a 26-year-old wife and the doting mother to her six month old baby boy. The next day, without warning, she suffered a massive brain stem stroke. On today's edition of Family Talk, the author of *Hope Heals* recounts how she was in a coma for nearly three months. Today, fourteen years later, Katherine is living her best life possible, given so many physical obstacles. She utilizes a wheelchair at times but declares it's just an avenue to her freedom and only pushes her forward. A song lyric that she loves from David Crowder is, "Earth has no sorrow that Heaven cannot heal." Katherine exhorts believers to acknowledge their own "invisible" wheelchairs and how God can use their weaknesses for His glory.

**Hope Heals: Finding Joy in the Midst of Suffering Part 2 - HOST: DR. TIM CLINTON - GUEST: KATHERINE WOLF - APRIL 07, 2022**

Fourteen years ago, Katherine Wolf suffered a massive stroke which led to thirteen surgeries and a life of limited mobility and other challenges. Since then, she's disrupted the myth that joy can only be found in a pain-free life. On today's edition of Family Talk, the author of *Hope Heals* points to Colossians 3 where the Apostle Paul wrote, "Since then, you have

been raised with Christ, set your hearts on things above, where Christ is, seated at the right hand of God. Set your minds on things above, not on earthly things." No matter what trial you're enduring, Katherine calls you to persevere.

**SCOTUS, Roe, and the Hope We Share: The State of Our Nation with Sen. James Lankford - HOST: DR. TIM CLINTON - GUEST: JAMES LANKFORD - MAY 16, 2022**

According to Senator James Lankford of Oklahoma, the leaked draft of the Supreme Court opinion that could overturn *Roe v. Wade* has changed the American conversation. The debate is no longer whether it's convenient or not for the mother to be pregnant. Now we're discussing the value of babies in the womb again. On today's edition of Family Talk, Senator Lankford urges all Americans to move from making abortion illegal to making abortion unthinkable. In this fast-moving and informative conversation with one of our country's most respected conservative voices, Lankford leaves us with the assurance that, ultimately, in all our affairs, God is in control.

**[A Christian Response to Homosexuality - Part 1](#) - HOST: DR. JAMES DOBSON - GUEST: DR. CHRISTOPHER YUAN, ANGELA YUAN, AND LEON YUAN - MAY 23, 2022**

At the tender age of nine, Dr. Christopher Yuan was exposed to pornography. That fantasy life led to his first homosexual encounter at the age of 16, and an ongoing attraction and lifestyle that persisted throughout high school, college, the Marine Corps Reserves, and dental school. On today's edition of Family Talk, Christopher reveals how the Lord got his attention during his six-year prison sentence for selling drugs. His mother, Angela, earnestly prayed for him, fasting every week for eight years. When Christopher called his mother from his jail cell, she showed him God's kindness which led him to repentance (Romans 2:4).

**A Christian Response to Homosexuality - Part 2 - HOST: DR. JAMES DOBSON - GUEST: DR. CHRISTOPHER YUAN, ANGELA YUAN, AND LEON YUAN - MAY 24, 2022**

On today's edition of Family Talk, Dr. Christopher Yuan recounts his former lifestyle of homosexuality, drug use, and drug dealing. During that time, he had exchanged the truth of God for a lie, and was serving the creature rather than the Creator. Ultimately, it was his arrest, prison sentence, and HIV+ diagnosis that served as a massive wake-up call, resulting in Christopher giving his life to the Lord. After reading the Bible, he discovered that God's unconditional love did not mean unconditional approval of his sinful behavior, and he realized that his identity must be found in Christ alone.

**Kristan Hawkins: How to Help Women Choose Life - HOST: DR. TIM CLINTON - GUEST: KRISTAN HAWKINS - JUNE 20, 2022**

As the Supreme Court appears likely to overturn *Roe v. Wade*, the battle to save pre-born babies will move from Washington, D.C. to the state level government. On today's edition of Family Talk, Kristan Hawkins, President of Students for Life of America, highlights the ongoing work of her organization, and urges Christians to continue to stand strong in the fight against abortion. Kristan also invites believers to join their campaign for abortion-free cities, and illustrates how we can be mobilized in a "post Roe" America.

April 19 — Comfort for Our Souls - Is it harder for you to believe that God is all-powerful or that He's all-loving? Practically speaking, we tend to lean one way or the other. ### **FAMILY TALK**

**The 4 Wills of God: Discovering God's Purpose for Your Life - HOST: DR. JAMES DOBSON - GUEST: DR. EMERSON EGGERICHS - APRIL 05, 2022**

All believers, young and old, have a deep longing to know God's divine will. On today's edition of Family Talk, Dr. Emerson Eggerichs, author of *The 4 Wills of God*, explains the key is to follow the Lord's universally-revealed four wills, as summarized by the acronym "BAGS." Believe in Jesus Christ. Abstain from sexual sin. Give thanks in everything. Submit and do what's right. When you obey these four universal truths, it activates the unique and perfect will of God in your life.

**DR. TIM CLINTON - GUEST: SHAUNTI FELDHahn - APRIL 14, 2022**

In your marriage, which one of you is the financial saver? And which one is the spender? And what about intimacy? Is there one who prefers more time together in the bedroom than the other? On today's edition of Family Talk, Christian researcher Shaunti Feldhahn advises listeners on what these common marital squabbles are really about. Oddly enough, they're not about money or sex. Rather, the tension often results from spouses' different fears and values, and that can lead to resentment, bruised egos and feelings of rejection.

**HOST: DR. JAMES DOBSON - GUEST: RANDY & MARCIA HEKMAN - APRIL 18, 2022**

Jeremiah 1:5 says, "Before I formed you in the womb I knew you, before you were born, I set you apart." On today's classic edition of Family Talk, Dr. James Dobson met with Randy and Marcia Hekman to discuss the calling that God placed on their hearts to have children, a lot of children! The Hekmans recount the message from our Creator to stop trying to limit the number of children they would have and be open to the Lord's plans. The result? Randy and Marcia are the proud parents of 12 children.

**The Joys of Raising a Large Family Part 2 - HOST: DR. JAMES DOBSON - GUEST: RANDY & MARCIA HEKMAN - APRIL 19, 2022**

Do you believe, as Psalm 127 declares, that children are a gift from God? If so, does that include allowing Him to determine the size of your family? On today's edition of Family Talk, Dr. James Dobson continues his discussion with Randy and Marcia Hekman, who believe the fundamental truth that their 12 kids are God's children, even though they gave birth to them and raised them. Despite culture's casual approach to abortion and birth control, because God is sovereign, is it possible that He might want to bless the world with more Christ-following children through you?

**Real Moms, Real Jesus - Part 1 - HOST: DR. JAMES DOBSON - GUEST: JILL SAVAGE - MAY 05, 2022**

On today's edition of Family Talk, Dr. James Dobson is joined by author and speaker Jill Savage, who shares insights from her book, *Real Moms...Real Jesus: Meet the Friend Who Understands*. Together they discuss Jill's fundamental precept—that Jesus can be a relatable, identifiable source of strength in every busy mom's life. Between nursing your infant to having your toddler mistake you for a jungle gym, it's normal to long for some personal space. For Jesus in His ministry, the pressure from the crowd became equally overwhelming. Similar to the need to establish boundaries to ensure some down time, Jesus stepped away from ministry to be alone and pray.

**Real Moms, Real Jesus - Part 2 - HOST: DR. JAMES DOBSON - GUEST: JILL SAVAGE - MAY 06, 2022**

Many Christians view Jesus as being completely God, but sometimes forget that He was also human. On today's edition of Family Talk, Jill Savage shares why every mom can take comfort in the assurance that Jesus understands their exhaustion, disappointment, and vulnerabilities. Similar to how a mom has her sleep interrupted because her child is sick, when the disciples were startled by a great storm at sea, they woke Jesus after He had an exhausting day of ministry. Jill also explains to Dr. Dobson the need for people to define themselves by who Christ is, not what they may see or receive in other people. It's also necessary for a mom to have a supportive and caring husband.

**Millennials in America: Insights into a Generation of Growing Influence - Part 2 - HOST: DR. TIM CLINTON - GUEST: GEORGE BARNA - JUNE 01, 2022**

On today's edition of Family Talk, researcher George Barna continues to discuss his latest findings on Millennials to our own Dr. Tim Clinton. Barna reveals that 25-40 year-olds tend not only to reject the Bible as truth, but they also subscribe to the idea that truth comes from within. Ironically, most of them still consider themselves to be Christians. To Millennials, being a believer has nothing to do with Jesus, God, or the Bible. Rather, it's just about being a good person. However, if they encounter authentic Christians whose lives have been transformed, they will listen. While we are sobered by the overwhelming statistical data that proves most Millennials lack a biblical worldview, we must remain encouraged that as Christians, we can offer them hope through our personal testimonies.

**Reflecting God's Love Story in Your Marriage - Part 1 - HOST: DR. JAMES DOBSON - GUEST: AL & JO ANN JANSSEN, KURT & OLIVIA BRUNER - JUNE 13, 2022**

Genesis 2:24 says, "Therefore a man shall leave his father and mother, and hold fast to his wife, and they shall become one flesh." On today's classic edition of Family Talk, Dr. James Dobson, along with married couples Kurt and Olivia Bruner, and Al and Jo Ann Janssen, discuss the Lord's blueprint for marriage. The author of *The Marriage Masterpiece*, Al Janssen makes the comparison that, similar to uncovering the Sistine Chapel's vibrant beauty after years of being covered by dirt and grime, God's original vision for marriage has become concealed by the grime of our culture.

On today's edition of Family Talk, the author of *Hope Heals* recounts how she was in a coma for nearly three months. Today, fourteen years later, Katherine is living her best life possible, given so many physical obstacles. She utilizes a wheelchair at times but declares it's just an avenue to her freedom and only pushes her forward. A song lyric that she loves from David Crowder is, "Earth has no sorrow that Heaven cannot heal." Katherine exhorts believers to acknowledge their own "invisible" wheelchairs and how God can use their weaknesses for His glory.
