WOLL
Quarterly Issues/Programs List

WOLL provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- PBC Parks Dubois House (Holiday Repeat)
- OxBow Eco Center IRL Science Fest
- St. Lucie County
- Scripps Neurological/Alzheimer's
- Norton Museum of Art
- YWCA PBC
- Place of Hope
- Boca Boating & Beach Bash for People with Disabilities
- Habitat for Humanity/City WPB 500 BLK
- Palm Health Foundation PBC Lets Move
- Corp Covid-19 Special

Section I
LOCAL PROGRAMMING

Section I lists regularly scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.

WOLL broadcast Perspective on Sundays at 7:30 am

ISSUE	PROGRAM / TITLE	DESCRIPTION	GUEST	DATE/TIME	DURATION
PBC Parks Dubois House (Holiday Repeat)	Palm Beach Perspectives	<p>Talked with Stephanie Surrena, PR Specialist, Office of Public Engagement and Anthony Austin, Volunteer Coordinator, Palm Beach County Parks and Recreation Department. They have a lot of fun things happening in January to help listeners meet some of those New Year's resolutions. There are 5 different 5k Walk/Run events for those who want to be more fit. They have a couple historical reenactment events so we can learn from history. More opportunities for learning and giving back can be found by becoming a volunteer. Anthony coordinates the volunteers and they are looking for folks interested in history to become docents for the Dubois House. Listeners can go to the website pbcparcs.com click on work with us tab and then select volunteer. They can also see all the different events that are happening.</p>	Stephanie Surrena, PR Specialist, Office of Public Engagement and Anthony Austin, Volunteer Coordinator, Palm Beach County Parks and Recreation Department PbcParks.com	01-05-20 7:30 am	30 min

<p>OxBow Eco Center IRL Science Fest</p>	<p>Palm Beach Perspectives</p>	<p>Talked with Natalie Frenberg, Education Coor, Oxbow Eco-Center and Communications Chair, Indian River Lagoon Science Festival. This is their 6th annual IRL Science Festival. It's happening downtown Ft. Pierce on Saturday, October 26th starting at 10am. They will have over 80 exhibitors including, FAU Harbor Branch Oceanographic Institute, Smithsonian Marine Station, and well as entertainment from a drum line and step group. One of the cool events is the parade. The procession of the species (outfits are made from upcycled items). Listeners can also go to a behind the scenes tour of FAU Harbor Branch on Wednesday, October 23rd at 10am as part of the pre-festival activities. For more info on becoming a vender/sponsor, volunteer, programs, etc listeners can go to www.irlsciencefest.org</p>	<p>Charlene Farrington, Exec Dir., Spady Cultural Heritage Museum Spadymuseum.com</p>	<p>01/12/20 7:30 am</p>	<p>30 min</p>
<p>St Lucie County</p>	<p>Palm Beach Perspectives</p>	<p>Talked with Erick Gill, Communications Director. St. Lucie County, Florida. They have a wide variety of programs for the residents in St. Lucie. They are preparing for the upcoming 2020 Census by asking folks to create committees to help with the count. Job info is available at 2020Census.gov. The Library system has books, story time, crafts, creative spaces, all kinds of book clubs as well as digital service such as Fregal that are free for listeners to use. The county purchased land and now has programs via slchikes.org including paddle board and kayak adventures. The county is also doing a Fire Fest in February. For more info listeners can go to www.stlucieco.gov</p>	<p>Erick Gill, Communication Director. St. Lucie County, Florida Stlucieco.gov</p>	<p>01/19/20 7:30 am</p>	<p>30 min</p>

<p>Scripps Neurological /Alzheimers</p>	<p>Palm Beach Perspectives</p>	<p>Talked with Dr. Ron Davis and Stacey DeLoye, Comm. Dir. from Scripps Research in Jupiter. Dr. Davis and his team are working on research advancements related to Alzheimer's and autism as well as other neurological diseases. There is a focus on finding therapeutic treatments that can prevent/stop Alzheimer's disease as right now only a few medications are available to the public and they don't provide long term treatment. Scripps has Calibr a component that helps them develop meds faster. Stacey is working on several different events where listeners can come and learn more about some of the research. They include: Food for Thought Lecture Series (includes luncheon), Front Row Lecture Series, Women in Science Education (WISE). They have internship opportunities and to find out more or to sign up for the lectures, listeners can go to www.scripps.edu</p>	<p>Dr. Ron Davis and Stacey DeLoye, Comm. Dir. from Scripps Research in Jupiter www.scripps.edu u</p>	<p>01/26/20 7:30 am</p>	<p>30 min</p>
---	------------------------------------	--	--	-----------------------------	-------------------

<p>Norton Museum of Art</p>	<p>Palm Beach Perspectives</p>	<p>Talked with Scott Benarde, Dir of Communications, Gladys Ramirez, Public Programs Mgr. and Kate Faulkner, Assoc Curator of Education for Public Programs from the Norton Museum of Art. They have a lot of great programs and exhibitions running. Today is the last day to see the Georgia O'Keefe exhibition. Coming up they have Robert Rauschenberg: Five Decades from the Whitney's Collection, American Art Posters from the Leonard A. Lauder Collection, Divine Beings, and Rudin Prize for Emerging Photographers. Gladys is putting together some great Art After Dark programs including the popular First Friday Jazz. They also have Community days; one is for the Chinese New Year and the other for Celebrating Black Florida. Listeners can sign up to be volunteers, docents, become members, make donations and find out more about the programs at Norton.org. They can also follow them on FB, Instagram and Twitter.</p>	<p>Scott Benade, Dir of Communications , Gladys Ramirez, Public Programs Mgr. and Kate Faulkner, Assoc Curator of Education for Public Programs from the Norton Museum of Art</p> <p>www.norton.org</p>	<p>02/02/207 :30 am</p>	<p>30 min</p>
-------------------------------------	------------------------------------	---	---	-----------------------------	-------------------

YWCA PBC	Palm Beach Perspectives	<p>Talked with Carolyn Williams-Smith, Interim CEO, YWCA Palm Beach County. They are a 501 (c)(3) organization committed to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all. They have lots of programs some of which are: Harmony House a safe shelter for women/children escaping from domestic violence (rapid re-housing for women who are able to move to a new safe residence with rental/utility assistance), child development center, justice and equity program, health initiative programs. They are always looking for volunteers and have lots of opportunities such as: Administration (Receptionist, Clerical duties such as typing, copying, and filing) Assist with planning and conducting fundraising activities, Child Development Centers (Read to children, Accompany children on field trips, Assist with parties for the children, Tutor children and parents on use of computers, resume writing (parents), and more) Domestic Violence Programs* (Sort donations, Collect items for children and mothers for holidays Babysitting for support group meetings, *To assist with residents, must complete 24 hour Core Competency Curriculum Youth Empowerment (Assist with field trips, Assist Site Coordinator with planning of activities, Assist Site Coordinator with administration of activities with girls, Mentor young girls, Allow young girls to job shadow you, Tutor for the PSAT/SAT, Present to girls the various aspects of a profession) They also have two events in April. Listeners can find out more info, sign up to volunteer, make donations or get tickets at https://ywcapbc.org.</p>	Carolyn Williams-Smith, Interim CEO, YWCA Palm Beach County Ywcapbc.org	02/09/20 7:30 am	30 min
----------	-------------------------	--	--	---------------------	--------

Place of Hope	Palm Beach Perspectives	<p>Talked with Lisa McDulin, Director of Advancement, Place of Hope. Place of Hope is a unique, faith-based, state-licensed children's organization providing family-style foster care (emergency and long-term); family outreach and intervention; maternity care; safety for victims of domestic minor sex trafficking; transitional housing and support services for youth aging out of foster care; housing and support services for homeless families; foster care recruitment and support. They have multiple locations throughout the county. They have several fundraising events coming up. For more details, to volunteer, donate, become a community sponsor or get services, listeners can go to www.placeofhope.com</p>	<p>Lisa McDulin, Director of Advancement, Place of Hope Placeofhope.com</p>	<p>02/16/20 7:30 am</p>	<p>30 min</p>
<p>Boca Boating & Beach Bash for People with Disabilities</p>	Palm Beach Perspectives	<p>Talked with Jay Van Vechten, Founder/Director, Boca Boating & Beach Bash for People with Disabilities. Their 12th Annual Boating and Beach Bash for People with Disabilities is happening at Spanish River Park, 3001 North Ocean Boulevard (State Road A1A), Boca Raton, FL 33431 on Sunday, March 1st. It's free and great fun for the whole family. They have activities on boats, the beach and musical entertainment throughout the day from 10am-3pm. Listeners can reach them for more details about the event, becoming a volunteer, donor or sponsor by visiting the website www.boatingbeachbash.com</p>	<p>Jay Van Vechten, Founder/Director, Boca Boating & Beach Bash for People with Disabilities Boatingbeachbash.com</p>	<p>02/23/20 7:30 am</p>	<p>30 min</p>

<p>Habitat for Humanity/city WPB 500blk</p>	<p>Palm Beach Perspectives</p>	<p>Talked with Maurice Costigan, Owner O'Shea's Irish Pub, Board Moonfest and Peter Gates, Chief Retail Officer, Habitat for Humanity of Palm Beach County. Maurice and the business owners on the 500 block of Clematis are working with the City of WPB/Downtown Development Authority to activate the 500 block. They close the block to vehicular traffic starting at 5pm on Friday through 10pm on Sunday. Listeners can come out and enjoy music, night markets, dancing, karaoke contest, games on the streets, musical see saws, doggy brunch/yoga and more. Charities who'd like to be involved can reach out to them on Facebook, 500Blk or subculture coffee. Also, talked with Peter about the great work Habitat is doing in our area. They offer affordable housing to those families that qualify. Individuals/businesses can come out and volunteer to help build the homes alongside the family who is getting the home. Qualified individuals participate in a financial literacy program (Ramsey) and put in 400 hours of "sweat" equity including working in the retail stores. The retail store in Riviera Beach was damaged in a fire but they just opened a temporary store until it can be rebuilt. Listeners can go to www.habitatpbc.org for more information.</p>	<p>Maurice Costigan, O'Shea's, City of WPB 500Blk, Peter Gates, CRO, Habitat for Humanity of PBC Facebook- 500Blk www.habitatpbc.org</p>	<p>03/01/20 7:30 am</p>	<p>30 min</p>

Program 20-01 Writers/Producers:		Reed Pence
Air Week: Studio Production: 1/5/2020		Jason Dickey
SEGMENT 1: AVOIDING MISTAKES IN DEALING WITH AGING		Time
Duration		
<p>Synopsis: As loved ones age, tough decisions need to be made on finances, housing, and other concerns, and these decisions need to be made far earlier than they typically are. This is especially true if a person does not have family to act as support and caregiver. Two experts discuss managing the transition from complete independence as we age.</p>		1:50
		12:31
<p>Host & Producer: Reed Pence</p> <p>Guests: Melanie Merriman, author, <i>Holding the Net: Caring For My Mother On the Tightrope of Aging</i>; Joy Loverde, author, <i>Who Will Take Care of Me When I'm Old?</i></p> <p>Compliance Issues covered: healthcare; aging & elderly; family issues; housing; economics</p> <p>Links for more information: http://greenwriterspress.com/book/holding-the-net</p> <p>http://www.elderindustry.com</p>		
SEGMENT 2: TELLING LIES—WHO DOES IT AND WHY		Time
Duration		
<p>Synopsis: Lies aren't always bad. Often, they're told to be polite, and compassionate people are most likely to tell whoppers. But as the stakes of lies rise, honesty trumps kindness. Yet few people are ever able to distinguish when they're being told lies. Experts explain.</p>		15:23
		7:06
<p>Host: Nancy Benson</p> <p>Producer: Morgan Kelly</p> <p>Guests: Matthew Lupoli, social scientists, University of California, San Diego; Dr. Paul Eckman, Associate Emeritus of Psychology, University of California, San Francisco</p> <p>Compliance Issues covered: ethics; public discourse; societal issues</p> <p>Links for more information: https://matthewlupoli.wixsite.com/ucsd</p> <p>http://www.paulekman.com/paul-ekman/</p>		

Program 20-02 Writers/Producers:	Reed Pence
Air Week: Studio Production:	Jason Dickey
1/12/2020	

SEGMENT 1: HAND WASHING AND HANDSHAKE BANS	Time	Duration
Synopsis: Some hospital units have set up handshake bans because too few healthcare workers wash hands well enough to keep from spreading germs. The general public is even worse at washing hands, which has caused spread of serious disease. Some experts say handshakes foster important human connections and oppose bans. Experts discuss and describe what it takes to wash hands well enough to be "clean."	1:50	11:34

Host & Producer: Reed Pence

Guests: Dr. Mark Sklansky, Professor and Chief, Division of Pediatric Cardiology, UCLA Mattel Children's Hospital and UCLA David Geffen School of Medicine; Donna Cardillo, registered nurse and inspirational speaker, "The Inspirational Nurse;" Dr. Pamala Marquess, Atlanta pharmacist; Dr. Wilma Wooten, Public Health Officer, County of San Diego (CA).

Compliance issues covered: public health; healthcare; hospitals

Links for more information: <https://www.uclahealth.org/mark-sklansky>

SEGMENT 2: "BROKEN HEART SYNDROME"	Time	Duration
Synopsis: When a person suffers a severe emotional shock, they may suffer what looks like a heart attack but is actually what doctors call "stress cardiomyopathy." Most patients recover but the condition can be fatal, confirming that it is possible to die of a broken heart. An expert explains.	14:26	7:58

Host: Nancy Benson

Guests: Dr. Tracy Stevens, cardiologist, St. Luke's Mid America Heart Institute, Kansas City, MO

Compliance issues covered: healthcare; consumerism; pop culture; heart disease

Links for more information: https://www.nlm.nih.gov/locallegends/Biographies/Stevens_Tracy.html

Program 20-03 Writers/Producers:	Reed Pence
Air Week: Studio Production:	Jason Dickey
1/19/2020	

SEGMENT 1: CRUSHING MEDICAL DEBT	Time	Duration
<p>Synopsis: Nearly a quarter of us owe past due medical debt, and hospitals are moving more aggressively to collect. The rise is the result of a tradeoff—Americans have avoided higher health insurance premiums only to be jeopardized by extremely high deductibles and out-of-network costs. Experts explain what unpaid medical debt can mean, how patients can escape its clutches, and how one charity works to buy and forgive debt.</p> <p>Host & Producer: Reed Pence</p> <p>Guests: Robert Goff, founding Director, RIP Medical Debt, and co-author, The Patient, The Doctor, and the Bill Collector: A Medical Debt Survival Guide; Sara Collins, Vice President for Health Coverage and Access, Commonwealth Fund</p> <p>Compliancy issues covered: insurance; healthcare; economics ; bankruptcy; personal finance; consumerism; hospitals</p> <p>Links for more information: https://ripmedicaldebt.org/ https://nomoremedicaldebt.com https://www.commonwealthfund.org/person/sara-r-collins</p>	1:50	13:25

SEGMENT 2: SMOLDERING CONCUSSIONS	Time	Duration
<p>Synopsis: Doctors are realizing that concussions can smolder in the brain for years, making diagnosis at the time of occurrence all the more important. Yet a new study shows that protocols affecting the most vulnerable—young athletes—often are not followed. Experts explain why, and what people should do when they receive any blow to the head.</p> <p>Host: Nancy Benson</p> <p>Guests: Dr. Kabran Chapek, staff physician, Amen Clinic, Bellevue WA and author, Concussion Rescue: A Comprehensive Program to Heal Traumatic Brain Injury; Dr. Ginger Yang, Principal Investigator, Center for Injury Research and Policy, Nationwide Children’s Hospital and Associate Professor of Pediatrics, The Ohio State University College of Medicine</p> <p>Compliancy issues covered: healthcare; consumerism; pop culture</p> <p>Links for more information: https://www.amazon.com/Concussion-Rescue-Comprehensive-Program-Traumatic/dp/0806540230; https://www.nationwidechildrens.org/research/areas-of-research/center-for-injury-research-and-policy/meet-our-team/ginger-yang-team</p>	16:17	6:36

Program 20-04 Writers/Producers:		Reed Pence
Air Week: Studio Production: 1/26/2020		Jason Dickey
SEGMENT 1: ADHD AND SLEEP DISORDERS		Time Duration
<p>Synopsis: New research shows that most people with ADHD have a disordered body clock, prompting disturbed sleep, sleep deprivation, and a worsening of ADHD symptoms. Experts discuss how fixing the body clock could lessen the impact of both ADHD and physical diseases that result from poor sleep.</p> <p>Host & Producer: Reed Pence</p> <p>Guests: Dr. Sandra Kooij, Associate Professor of Psychiatry, Free University Amsterdam Medical Center; Dr. Vatsal Thakkar, Clinical Assistant Professor of Psychiatry, New York University School of Medicine and CEO, Reimbursify</p> <p>Compliance Issues covered: youth at risk; developmental disorders; education; family issues</p> <p>Links for more information: https://www.eunetworkadulthood.com/author/sandra-kooij/http://vatsalthakkar.com http://vatsalthakkar.com</p>		1:50 12:10
SEGMENT 2: WORKING WHILE SICK		Time Duration
<p>Synopsis: Surveys show the vast majority of employees go to work when they're sick, risking fellow workers and slowing their own healing. Experts discuss the maladjusted workplace culture that promotes this, how to know when you really should stay home, and ways to protect yourself from illness at the office.</p> <p>Host: Nancy Benson</p> <p>Producer: Reed Pence</p> <p>Guests: Richard Deosingh, District President, Robert Half International; Dr. Joseph Ladapo, Associate Professor of Medicine, David Geffen School of Medicine, UCLA</p> <p>Compliance issues covered: public health; employment and workplace issues; disease & sickness</p> <p>Links for more information: https://www.uclahealth.org/joseph-ladapo https://www.linkedin.com/in/richard-deosingh-56246813/</p>		15:02 7:30

Program 20-05 Writers/Producers:	Reed Pence
Air Week: Studio Production:	Jason Dickey
2/2/2020	

SEGMENT 1: MUSIC AND MEDICINE	Time	Duration
<p>Synopsis: Pre-medical students have typically majored in science, but some medical schools are finding that liberal arts and even music majors with no science background can do well. Some admissions officers and doctors believe they may even have advantages, given the importance of communications in the doctor-patient relationship. A musician-turned-med student, an admissions officer and a musical doctor explain.</p> <p>Host & Producer: Reed Pence</p> <p>Guests: Hanna Boone, medical student, Memorial University of Newfoundland; Dr. Barton Thiessen, Associate Professor of Anesthesia and Assistant Dean of Admissions, Faculty of Medicine, Memorial University of Newfoundland; Dr. Danielle Ofri, Clinical Professor of Medicine, New York University and Editor, Bellevue Literary Review</p> <p>Compliancy Issues covered: education; healthcare; fine arts; technology</p> <p>Links for more information: https://danielleofri.com https://www.med.mun.ca/getattachment/fd3babfb-0e24-4dbb-8c75-316694b84357/Newsletter-Volume-1;-Issue-1.aspx http://www.soundsymposium.com/ssxix-hannah-boone/</p>	1:49	12:22

SEGMENT 2: GERMS, DOUBLE-DIPPING AND THE FIVE-SECOND RULE	Time	Duration
<p>Synopsis: Super Bowl party snacks are prime territory for contamination via cross contamination and being dropped on the floor. A scientist who has studied both phenomena discusses the truth (or lack of truth) in two old myths.</p> <p>Host: Nancy Benson</p> <p>Producer: Reed Pence</p> <p>Guests: Dr. Paul Dawson, Professor of Food, Nutrition and Packaging Science, Clemson University</p> <p>Compliancy Issues covered: food safety; consumer safety; sports and recreation</p> <p>Links for more information: http://www.clemson.edu/academics/programs/creative-inquiry/projects/spotlight/food-myth.html</p>	15:13	7:51

Program 20-06 Writers/Producers:	Reed Pence
Air Week: Studio Production:	Jason Dickey
2/9/2020	

SEGMENT 1: A MORAL QUESTION: DEMENTIA, SPOUSES, AND "CLOSE FRIENDS"	Time	Duration
<p>Synopsis: Spouses of Alzheimer's disease patients often struggle with depression while caregiving and are desperate for support. Some have started new relationships while their loved one is still alive but no longer recognizes them. Acceptance of such infidelity is highly individual. Experts and a woman involved in such a relationship discuss how it can benefit even the incapacitated spouse, as long as families find it acceptable.</p> <p>Host & Producer: Reed Pence</p> <p>Guests: Dr. William Uffner, board certified geriatric psychiatrist, Friends Hospital, Philadelphia and Clinical Assistant Professor of Psychiatry, Drexel University; Sharon B. Shaw, Licensed Clinical Social Worker and Certified Group Psychotherapist, New York; Tammi Reeves, author, Bleeding Hearts: A True Story of Alzheimer's, Family, and the Other Woman</p> <p>Compliance issues covered: healthcare; public health; elderly and senior citizens; family issues; ethics</p> <p>Links for more information: https://www.linkedin.com/in/sharon-b-shaw-lcsw-cgp-01b1a92 http://www.tamireeves.com/bleeding-hearts.html</p>	1:50	11:10

SEGMENT 2: NEEDLE PHOBIA	Time	Duration
<p>Synopsis: Untold millions of people are afraid of needles. Most manage by looking the other way when they're facing an injection, but many may avoid the doctor as a result of their fear. The problem is increasingly dangerous for the rising number of people with diabetes, who must inject themselves with insulin to survive. A needle-phobic woman and doctor who's squeamish himself discuss.</p> <p>Host: Nancy Benson</p> <p>Producer: Reed Pence</p> <p>Guests: Laura Munoz, needle phobic; Dr. Gary LeRoy, President, American Academy of Family Physicians</p> <p>Compliance Issues covered: healthcare; public health; children and youth at risk; consumerism</p> <p>Links for more Information: https://www.aafp.org/news/2019-congress-fmx/20190925jeroyqa.html</p>	14:02	8:27

Program 20-07 Writers/Producers:	Reed Pence
Air Week: Studio Production:	Jason Dickey
2/16/2020	

SEGMENT 1: MEDICAL CHILD ABUSE	Time	Duration
<p>Synopsis: Parents who have a mental illness known as factitious disorder may fake or induce illness in their children to get attention, sometimes taking kids to hundreds of medical visits and deceiving doctors into performing numerous procedures and surgeries. Experts and a parent who got his child out of an abusive situation discuss how the legal & medical system may fail kids, danger signs and the road to recovery.</p> <p>Host & Producer: Reed Pence</p> <p>Guests: Ryan Crawford, father of child medically abused by his mother; Dr. Marc Feldman, Clinical Professor of Psychiatry, University of Alabama and author, <i>Dying to be Ill: True Stories of Medical Deception</i>; Dr. Mary Sanders, Clinical Associate Professor of Psychiatry, Stanford University Medical Center</p> <p>Compliance issues covered: healthcare; public health; elderly and senior citizens; family issues; ethics; law and crime; parenting issues</p> <p>Links for more information: http://www.marysandersphd.com/about https://www.munchausen.com/index.php/biography/ https://www.star-telegram.com/news/local/crime/article234077982.html</p>	1:50	12:30

SEGMENT 2: CORONAVIRUS: WHAT DOES IT MEAN TO US?	Time	Duration
<p>Synopsis: Coronavirus has sickened tens of thousands in China and killed hundreds, but few cases have reached the US. Experts explain exactly what this Coronavirus is and the relative danger it poses compared to more familiar diseases such as influenza.</p> <p>Host: Nancy Benson</p> <p>Producer: Reed Pence</p> <p>Guests: Dr. William Schaffner, Professor of Preventive Medicine and Infectious Diseases, Vanderbilt University Medical Center; Dr. Jon Mark Hirshon, Professor of Emergency Medicine, Epidemiology and Public Health, University of Maryland, and Chairman, American College of Emergency Physicians.</p> <p>Compliance issues covered: healthcare; public health; consumerism; infectious disease</p> <p>Links for more information: https://www.vumc.org/health-policy/person/william-schaffner-md https://www.acep.org/people-pages/board/jon-mark-hirshon/</p>	15:22	7:11

Program 20-08 Writers/Producers:		Reed Pence
Air Week: 2/23/2020	Studio Production:	Jason Dickey
SEGMENT 1: GENES AND HIGH CHOLESTEROL		Time
Synopsis: More than 100 million Americans have high cholesterol, a major risk factor for heart disease. Most people think of their diets as the main cause, but genetics also play a role in both good and bad ways. A noted expert discusses how scientists are harnessing cholesterol genes to lower the risk of heart attacks.		1:50
Host & Producer: Reed Pence		Duration
Guests: Dr. Kiran Musunuru, Associate Professor of Cardiovascular Medicine and Genetics, University of Pennsylvania and author, <i>The Crispr Generation: The Story of the World's First Gene-Edited Babies</i>		12:10
Compliance issues covered: healthcare; public health; consumerism; heart disease
