From Main Street

Monday, October 7, 2019

306pm

16 minutes

The CROP Walk got started in North Dakota, but the walks now take place all across the country. CROP stands for Communities Responding to Overcome Poverty. Here to share a little history and news of an upcoming walk in Bismarck are planning team member Betsy Debertin and the chair of the planning team, Allison Germolus.

Thursday, October 10, 2019

306pm

24 minutes

Citizens skeptical of the news recently participated in a series of five sessions in Casper, Wyoming, aimed at understanding the root of their distrust and identifying information that might be useful in rebuilding that trust. It was sponsored by the Society of Professional Journalists. Here to tell us what they learned, is Rod Hicks, the veteran journalist tasked with leading the project.

Thursday, October 31, 2019

306pm

19 minutes

Nicotine addiction, tainted cartridges, hospitalizations, and concerns about a growing black market have health officials and legislators trying to address the problems with vaping. Here to

discuss the proliferation of vaping and the strategies to counter it are two guests from Fargo Cass Public Health – tobacco prevention coordinator Melissa Markegard and community health educator Preston Nesemeier.

Friday, November 22, 2019

306pm

17 minutes

The VA Medical Foster Home Program allows veterans to find care in a home setting rather than a nursing home. Here to tell us how caregivers can become involved with the program, and how it's an option for veterans is the program coordinator for Fargo-Moorhead region, Kristin Swenson, and Peace Suglo, home caregiver.

Wednesday, December 4, 2019

306pm

24 minutes

Byron Dorgan, former US Senator from North Dakota, has a new book out. It's "The Girl in the Photograph, The True Story of a Native American Child, Lost and Found in America."

Monday, December 9, 2019

306pm

15 minutes

Do you find yourself second-guessing your accomplishments, feeling you aren't that competent or talented? You're not alone. Approximately 70% of people are affected by this phenomenon, which is known as "Imposter Syndrome." Joining us is Laura Gariano, of the United Way of Cass-Clay, who will be presenting on this topic Wednesday in Fargo.
