The mentee was hired as a part-time board operator in July 2023. He had a solid understanding of the station's content and presentation.</p> <p>After three months on the job, he expressed interest in our news operation and a desire to shadow a few of our SEU's reporters/anchors.</p> <p>Our SEU Director of AM Programming had him come in an hour before his shift twice a week to shadow different members of the news team. In November 2023, a reporter announced his resignation effective in December. Our mentee expressed an interest in the position, but initially he was still in need of experience. The SEU Director of AM Programming began having him record stories and newscasts. He would submit his reports to our SEU Director of AM Programming for his review and feedback. In a few weeks, his work was contributing stories that were used on the air. It was quickly apparent he was qualified and a talented individual that had applied for the position.</p> <p>As a result of the above, our mentee was hired for the open position in January 2024</p>	4	Director of AM Programming Assistant News Director News Reporter Reporter/Anchor
