E/I Programming information for your Q1, 2014 FCC filing

MAMA MIRABELLE 1/1/14 – 3/31/14

9:00am-9:30am 30 min RT

Mama Mirabelle's Home Movies is designed to promote preschool children's appreciation and understanding of animal life and to foster their recognition of ways in which animal and human experiences are similar and different. For ages 2-6, the series has four educational and informational goals: (1) to foster understanding of animal customs and behaviors, (2) to encourage reflection on similarities and differences between their own lives and the animals' lives, (3) to introduce preschool children to an array of different animals in the kingdom and enrich their ability to describe and communicate about them and (4) to motivate preschool children to appreciate the wonder and beauty of animals and animal life.

In each episode, children will be immersed in a topic that will be the basis of a compelling story with a problem and resolution. Sample topics include: grooming habits, communication, caring for the young, eating habits, shelter, etc. Children will leave the episode with a simple, clear understanding of how this topic can play out in the animal world. They will be exposed to a variety of situations/customs that will invite them to consider how this topic plays out in their own lives and what it means to them, e.g., what does shelter mean to me? How do I deal with cold weather? How do I communicate? etc.

TOOT & PUDDLE 1/1/14 – 3/31/14

9:30am-10am 30 min RT

Toot & Puddle is a story of exploration, both home and afar; it's a story about being yourself and being a good friend. For ages 2-7, the series key educational and informational goals are: (1) to encourage exploration and adventure, exciting kids about the world (2) to teach children about other cultures, including geography, music and history and (3) to provide age-appropriate problem solving behavior for children to model how to be a good friend, how to be yourself and how to celebrate differences.

Two friends, Toot and Puddle, live together in Woodcock Pocket. Toot loves to go see the world, Puddle prefers to stay at home. Each episode has one of the friends learning about life--whether

it's through Toot's eyes with an international view or through Puddle's experiences back at home with their friends. Children learn about geography, conversational foreign language terms and cultural customs and traditions across the globe.

ARE WE THERE YET? WORLD ADVENTURE 1/1/14 – 3/31/14

10:00am-11:00am (each episode 30 min RT)

****Also known as ¿YA LLEGAMOS? AVENTURAS MUNDIALES****

Are We There Yet? World Adventure is a global adventure series for kids by kids, hosted by very real brother and sister duos. Through journal entries, crayon-drawn travel logs, on-location kid chatter, and voice narration the hosts explore a world of playground-inspired adventures as they celebrate familiar childhood themes and experiences in some truly unfamiliar locations across the globe. For ages 4-8, the series has several educational and informational goals: (1) to teach basic geography and historical context of well-known world sights (2) to develop appreciation for and encourage reflection on similarities and differences between cultures (3) to reinforce the notion that we are all part of one big world, no matter how far away we are and (4) to inspire a sense of world exploration and adventure.

The kid hosts bring viewers along on their unscripted adventures that embrace our cultural similarities and delight in our differences. In each episode our hosts visit a manmade or natural wonder, have an adventure involving animals, and learn about a new culture by visiting with local kids from different countries around the world.

IGGY ARBUCKLE 1/1/14 – 3/31/14

11:00am-12:00pm (each episode 30 min RT)

A significant purpose of National Geographic Kids' *Iggy Arbuckle* is to educate and inform children between the ages of 6 and 12. The educational and informational objectives of the series are: (1) to motivate children's interest in nature; (2) to introduce conservation ideas; (3) to inspire positive attitudes toward science, nature and education and (4) model age appropriate problem solving behavior. Each of the fifty-two 11-minute animated segments explores a different situational drama problem that main character Pig Ranger Iggy Arbuckle and his pal Jiggers must address as they care for and protect the Great Kookamunga. A fast-paced, animated buddy comedy series with character-driven stories that emphasize wild adventure, friendship and exploration of the natural world.

****PLEASE NOTE: There WILL be a program change in Q2 2014.** The show description is as follows along with time periods where this program will air. The start date is TBD, however, MundoFOX plans to broadcast the program in the same time period at least 13 more times during the second quarter, satisfying the FCC's definition for a "regularly scheduled" program.**

MAKING STUFF - Dates TBD (TV-Y)

10:30am – 11:30am (each episode is 30 min RT)

****Also known as COMO SE HACEN LAS COSAS** TV-Y**

The main objective of the 104 live action and 2D digital segments is to show curious young viewers how everyday objects they encounter are designed and made. The series was filmed on location in Europe and North America in factories, workshops, and food plants. Each segment opens with an item to be investigated, followed by the two hosts, "Gear" and "Wiz," taking off

on a voyage of discovery to understand the workings of the item and reveal the secrets behind how it is made. For ages 4-7, the series key educational and informational goals are to: 1) educate children about the workings of everyday objects and how they are made and 2) to introduce children to the many fascinating objects around them and spark curiosity and the desire to learn more about those objects.

The program is regularly scheduled and airs between the hours of 7:00 am and 10:00 pm. The program is 30 minutes in length, and is identified as an educational and informational show, targeted to 4 to 7 year olds, at the beginning and throughout each broadcast and in listings provided to publishers of program guides.

THE CHARACTERS

GEARS: is one of our hosts, a quirky animated mechanical fellow who looks like he is made from bits of spare parts found on the factory floor where he lives.

WIZ: our other host is GEARS' super smart, levitating pal.
