Dear Dean,

A glorious weekend of weather and jazz was enjoyed by more than 10,000 Jazz and park lovers on September 15th and 16th in beautiful Travis Park for the 34th Annual Jazz'SALive hosted by the San Antonio Parks Foundation and the City of San Antonio. It was a year of refined upgrades with a new black and white jazz theme, a Grab and Go Food Village, a children's jazz session, entertainment surprises and plenty of open space in the newly lighted 2 1/2-acre park for guests to sit, visit with friends and enjoy the music.

Each change we made was based on past feedback and was in preparation for our 35th Anniversary Celebration next September! After this year's event, we immediately gathered valuable feedback from more than 100 different stakeholders and all of the suggestions have been input into our planning for next year to make 2018 the best yet!

This note is to thank you and remind you how important you are to the San Antonio Parks Foundation. We could not do this event without the broadcast support of Sinclair Broadcasting. You have

been a friend to the San Antonio Parks Foundation for many years and we are *so very grateful*. Events of this size, FREE to the public, take months of planning and preparation, an army of partners and volunteers, and sound financial support. As we continue to grow and improve, please know that our partnership with you, and your feedback along the way, are extremely valuable.

We will continue to work every day, to make not only our parks better, but each of the FREE park events we host, better too! We welcome your feedback anytime. Thank you again.

Yours Sincerely,

JoAnn Boone
