

Issues

2nd Quarter 2012

- **Business owners and job seekers need to know about free seminars and educational programs presented at the Abilene Public Library.**
- **Low income residents in the Abilene area who may not have insurance, and are in need of physical rehabilitation services should know about available resources regardless of income levels.**
- **Hunger continues to be a problem in our area, especially for elderly residents who are shut-ins.**
- **Area high risk youths need resources to guide them to a positive future. These youths are challenged by poverty, education issues, and family problems.**
- **Cancer victims in the area should know about treatment resources that are available to them regardless of income. These resources also include up to date information on the disease and its treatment.**
- **Summer is here and families with children need information on programs for summer reading and activities.**
- **The elderly population in Abilene is at risk due to the extreme heat in the region, in addition to their food needs if they are home bound. Dissemination of resource information helps inform residents and their families in our area.**
- **There is an ongoing need for funding and volunteers to aid in the search for cures to birth defects and childhood diseases.**
