

Affidavit of Craig Cole

I, Craig Cole, hereby declare, under the penalty of perjury, that:

- 1) I am the Director of Programming/Operations for WXSP-CD and its related Class A television stations in and around Grand Rapids, Michigan and have been in such a position since 1996.
- 2) At all times since the last renewal of each of the Class A television station licenses listed in Exhibit A, I have been responsible for the filing of the Form 398 Children's Programming Reports for such stations.
- 3) For each quarter listed in Exhibit A for the applicable stations, I timely filed the Form 398 using the Federal Communications Commission's online filing system, prior to the applicable deadline.
- 4) For each quarter listed in Exhibit A for the applicable station(s), I later amended the stations' initial Form 398 to correct clerical or typographical errors. I now understand that the FCC's online file system overwrites the initial filing when an amendment is submitted and does not keep a record of the initial filing or of the date it was submitted. I did not understand this aspect of the FCC's online system when I submitted the corrected 398 forms.
- 5) For each quarter in Exhibit A for the applicable station(s), I no longer have possession of the original filing of the applicable Form 398 since I did not understand that I needed to keep those copies to prove the date of the initial filing. I have inquired and have not been able to locate any other individual affiliated with the stations listed on Exhibit A with possession of such documents. My company has also hired an outside firm to review backup tapes to attempt to obtain the original filings, and those efforts proved unsuccessful.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 18, 2013.
