### **LAW ENFORCEMENT- U OF C PROTEST- CHICAGO- 6PM PKG**

Protesters gathered at University of Chicago after a police involved shooting earlier this week. The suspect was seen on dash cam and body cam wearing a helmet covering his eyes and also wielding a metal pipe. Police say he was smashing car windows and would not put down the pipe. The man was shot in the shoulder, taken to the hospital and the police officer was taken off the streets while the investigation of the shooting continues. The protesters are asking for more mental health services for people after this shooting. \_Michelle Relerford- runs 2:20

### **MAKING A DIFFERENCE- WATER RESCUE- CHICAGO- 4PM PKG**

Two men, both working at a restaurant on the riverfront helped save a man who fell into the Chicago river. Today the workers were given certificates and a hero's welcome by the Chicago Fire Department for their acts of bravery. The workers were given first responder training before this incident. Ash-Har Quraishi- Runs 2:33

## **MONDAY, APRIL 9, 2018**

### **CUBS OPENER POSTPONED- CHICAGO - 6PM PKG**

The Chicago Cubs home opener at Wrigley field has been postponed until tomorrow afternoon due to the snow that fell on the field overnight and this morning. Fans who came to the field were disappointed, but say they will return tomorrow for the game. The White Sox, who also had an afternoon game did indeed play. Lisa Chavarria 2:26

### **SAFETY- SAFE HAVEN BABY BOX- MICHIGAN CITY, INDIANA- 430PM PKG**

Volunteers at the local Cool Springs fire department held a news conference this morning, describing how someone had left a newborn in their safe haven baby box

at the station. They said the baby is doing fine and that they are happy someone dropped the baby off safely. We spoke with a 22 year old who was dumped in a garbage dumpster as a newborn. Her story helped create the safe haven program. Regina Waldrop Runs 2:08

#### **NBC 5 INVESTIGATES - POLICE FATAL CRASH- CHICAGO - 6PM**

**PKG-** Nearly 10 months ago, we are still no closer to answers as to what happened when an off duty officer, being chased by Chicago Police crashed into an innocent driver, and both were killed. The Police say the investigation continues, and would not give a date as to when some answers would be released. Meantime, the brother of the off duty officer says he also is looking for answers, defending his brother in the chase. He says that police have not been forthcoming in their investigation. Phil Rogers 2:46

#### **ELECTION- ELECTION SECURITY- COOK COUNTY- 5PM PKG**

Senator Durbin, Congressman Quigley and Cook County Clerk David Orr gathered to review Illinois election safety. They say despite 3 million dollars in federal funding, Illinois needs millions more to safeguard against hacking. Illinois was one of the states that was targeted in the 2016 elections by Russian hackers. Charlie Wojciechowski- Runs 2:29

#### **MAKING A DIFFERENCE- INNER CITY LACROSSE- CHICAGO- 5PM PKG**

One man has helped bring lacrosse to the west and south side, hoping it will be a step for kids to get a new life in sports and school. Not only does Sam Angoletta teach the kids lacrosse, but also helps them in academics and takes them on college trips to get them motivated for college. Christian Farr- Runs- 2:06

### **TUESDAY, APRIL 10, 2018**

#### **TECHNOLOGY- FACEBOOK TESTIMONY- WASHINGTON D.C./CHICAGO- 5PM PKG**

Today Facebook CEO Mark Zuckerberg testified for more than eight hours about how Facebook allowed a third party to get private information of its customers. Senator Durbin of Illinois asked if Zuckerberg would be willing to share his own information about which hotel he stayed at last night and who he messaged, highlighting that his information should be kept just as private as Facebook

customers. A technology expert in Chicago talks about Zuckerberg's testimony today. Charlie Wojciechowski- Runs 2:18

### **NBC RESPONDS - KEYLESS IGNITION – HIGHLAND PARK 430PM**

**PKG** – The popular keyless ignitions is now being questioned on if they keep drivers safe. A problem that first arose in 2009 is now getting a fix. Safety experts said there was a fatal flaw in the design that led to deadly accidents, a flaw carmakers are now addressing. Many of the victims with cars with keyless ignitions accidentally left their vehicles running for hours in attached garages. That led to filling their home with deadly carbon monoxides. Now Ford and General Motors have installed an auto shut off with their cars. 2:45 LISA PARKER

**HOUSING- FOUND HOTEL- CHICAGO - 5PM PKG-** A low cost hotel in the Heart of the trendy River North neighborhood is already booked for the winter months. Guests can share rooms, similar to a hostel type of housing program for less than 30 dollars a night, or get a private room for 100 dollars. The manager hopes to target millennial who come to visit the city and don't want to spend a fortune on a hotel. Chris Hush- Runs 2;21

### **MAKING A DIFFERENCE- TABLE TOP FARMER- ZION - 5PM PKG**

A local company has hired adults with special needs to help grow food and participate in art projects that are for sale to the public. One of the workers shows us how he helps provide lettuce for a local business , and the CEO of North Pointe says this job provides purpose to their lives. Lee Ann Trotter - Runs 1:54

### **TRANSPORTATION- OAK PARK BUS SERVICE- OAK PARK – 6PM PKG -**

District 8, in Oak Park is considering cutting school bus service to some residents, in hopes of saving 250-thousand dollars in their budget. But one family says that will force their four children to cross busy and dangerous streets to get to school. The School district is holding a public meeting on the issue tonight. Christian Farr- Runs 2:02

## **WEDNESDAY , APRIL 11, 2018**

### **MAKING A DIFFERENCE- IDA B WELLS PROFILE- ILLINOIS- 5PM PKG**

The Granddaughter of Ida B Wells is trying to raise funds for a memorial monument for her grandmother, one of the first African Americans who

investigated lynchings in this country. She was a journalist, feminist and activist early in the Civil Rights movement. This profile looks at her life, and a museum that has been set up to honor her. Phil Rogers- Runs 2:35

### **CRIME- DUI /HOSPITALS- WOODSTOCK, MCHENRY COUNTY- 4:30PM PKG**

The State's attorney is instituting a new program a Now Refusal DUI policy. in several McHenry County towns . This program allows police to force suspected DUI drivers to go to the hospital for a blood alcohol test. Right now the law says suspects are allowed to refuse breathalyzer from police , but then are taken to jail . This new program allows police to get a warrant if they suspect the driver is under the influence, and then take them to the hospital , forcing them to get a blood alcohol test. The State's attorney says the tests bring science to the jurors, which helps in convictions. But a defense attorney says the State's Attorney has tried this before and it was ruled unconstitutional. Christian Farr- Runs 1:54

### **POLITICS - PAUL RYAN FUTURE- WISCONSIN/CHICAGO- 4PM PKG**

Speaker of the house Paul Ryan has announced he will not run for re-election. Some are surprised by the decision, especially with the GOP needing stability so close to the elections. More than 20 Republicans have announced they will not run for re-election for their next term. Residents in Ryan's hometown are mixed, with some saying it's time for a change. Illinois Congressman weigh in on today's announcement. Mary Ann Ahern- Runs 2:25

### **WEATHER- APRIL WARM UP- CHICAGO- 430 vosot**

Two days ago , it was snowing and the Chicago Cubs cancelled their home opener due to the 2 inches that fell on the field, Today it was in the sixties with people outdoors wearing shorts and enjoying the sunshine. Some say they don't know how to dress today because by tonight the temperatures will drop another 20 degrees. Lee Ann Trotter- Runs 1:00

### **MAKING A DIFFERENCE- CREATIVE SOLES-BUFFALO GROVE- 4:30PKG**

A graduate student is making a difference for people with disabilities. He has turned their artwork on tennis shoes into a paycheck with his organization Creative Soles.

The concept, to have artists with disabilities create their artwork on canvas shoes and sell the shoes. Drew MacNamara started the program as a class project at the University of Illinois . 57 million people have disabilities in America, with only 17 percent are employed. This was one way to get them work, and one of the artists,

Jacob Spendadel from Glen Ellyn says it makes everyone happy. Lauren petty-Runs 2:01

## **THURSDAY , APRIL 12, 2018**

### **APRIL WEATHER ROLLERCOASTER-CHICAGO/EVANSTON- 6PM**

**PKG-** It's been a topsy turvy day in Chicagoland with temperatures in the 70's during the midday, plummeting to the 30's in the afternoon and evenings. Residents took the window of warm weather to get out their shorts and enjoy the outdoors, but then returned home and changed into their winter coats by evening. Trina Orlando- Runs 1:34 AND 1:30

### **LAW ENFORCEMENT- CPD RAID WRONG HOUSE-CHICAGO- 10PM PKG**

Woman says Chicago Police went into her apartment, broke down her door, stole money and her FOIA card, stating they were looking for a suspect in the wrong house. Chardeena Thompson says she wants the police to make repairs and give her the money back. Police are investigating the case. Natalie Martinez- Runs 2:13

### **NBC INVESTIGATES- WRONGFULLY CONVICTED RE-ARRESTED- 6PM PKG-**

Two men have been arrested on drug charges after they had been exonerated in a wrongful conviction case. Their cases involved Chicago police officers who forced false confessions from the men. We now learn that 10 Chicago police officers, connected to Commander Ronald Watts who was convicted on wrongful arrests, are on desk duty . The State's Attorney has sent out notices to make sure attorneys do not use these men as witnesses, as their testimony may be tainted. The combined salaries of the officers on desk duties in more than 800-thousand dollars of taxpayers money. Phil Rogers Runs- 2:38

### **RELIGEON- PRIEST ABUSE LAWSUIT- CHICAGO/JOLIET- 6P VOSOT**

An adult man has filed a lawsuit against the Archdiocese of Joliet for abuse from one of the their priests Father McGrath. Today the man told his story of the abuse from the Providence School in New Lenox, and the impact it had on his life. The Archdiocese says they are saddened for the man. - Runs :45

**POLITICS- CLINTON IN CHICAGO- 4:30 PM PKG-** Former Presidential Candidate, and Secretary of State Hillary Clinton spoke about women in Politics at an Ida B Wells fundraiser. Two women who may challenge the Mayor of Chicago

were at the speech, saying Clinton motivated them to get more involved in politics.  
Mary Ann Ahern- Runs 2:23

### **MAKING A DIFFERENCE=SENIORS HELPING SENIORS- 4PM PKG-**

Senior culinary students cooked a meal at a local senior center, making a meal for the first time outside of the classroom. The seniors welcomed the food, said it was delicious and appreciated having the young people around. Anayeli Ruiz-  
Runs 1:28

## **FRIDAY , APRIL 13, 2018**

### **POLITICS- SCOTUS/BLAGOJEVICH- WASHINGTON/CHICAGO- 5PM**

**PKG-** The Supreme Court may come down with a decision on Monday whether to hear an appeal in Former Gov. Blagojevich's case . The Former Governor says he's been unfairly convicted in the campaign finance law. His wife, Patti and her lawyer says the journey to this point has been a long, and expensive one and that she believes in her husband's innocence. Phil Rogers Runs 2:35

### **EDUCATION- CLEAN SCHOOLS - CHICAGO- 4PMPKG**

Members of the Chicago Teachers Union , faculty and parents showed up at Kenwood School today to get spot inspections after continual complaints about cleanliness. Some say rodents, and other unsafe health conditions are taking place at schools across the district because Chicago Public Schools cut back on janitorial services. Chicago Public Schools recently agreed to add...million dollars for janitorial staffing to their schools. Charlie Wojciechowski-- Runs 2:02

### **DIVERSITY- HOLOCAUST MUSEUM STUDY- SKOKIE- 5PM PKG - A**

new study from the Holocaust Museum shows 20 percent of Millennials never heard of the Holocaust and a growing number of people surveyed know the basic facts behind the Holocaust, including what the Auschwitz camps were used in Germany. One parent says she wants to make sure her children learn and keep the lessons behind the genocide. Illinois was the first state in the country to make Holocaust education mandatory in schools. Anayeli Ruiz- Runs 1:50

### **MAKING A DIFFERENCE- YOGA/ JAIL- COOK COUNTY - 6PM PKG**

A local actress in NBC'S Chicago Med is also a yoga teacher, bringing her stress free exercise to the Cook county women's jail. Mia Park, who plays Nurse Beth is seeing the benefits first- hand among the women. Lee Ann Trotter 1:45

## **MONDAY, APRIL 16, 2018**

### **MAKING A DIFFERENCE- BOKA MEGA TIP-CHICAGO- 6PM PKG**

A construction company owner from Seattle has made the day for dozens of staffers at Boka restaurant. He walked in, checked on the staff, had his dinner and then proceeded thank the staff and handed out hundred dollar bill to all workers. The staff shared their stories with us today, talking about how grateful they were to this stranger. Lauren Petty-Runs 1:54

**LAW- BLAGOJEVICH /SCOTUS- CHICAGO/DC- 4:30pm PM PKG-** The United State Supreme Court decided to deny hearing the appeal of Rod Blagojevich in his corruption case. This leaves him with only one more chance to get out of prison early, a pardon by President Trump. But Northwestern legal analyst ... says this is highly unlikely. Today, the wife of Rod Blagojevich shares her disappointment in the court's decision on FOX's Sean Hannity show. Phil Rogers and Natalie Martinez- 4:13

**DIVERSITY/CULTURE-SKOKIE- 6PMPKG-** A Holocaust survivor Aaron Elster died last week in Chicagoland, but his image and stories live via hologram technology, to teach generations about the Holocaust in Skokie. The CEO of the Museum shares memories of Elster, who spent his life making sure everyone he could talk to would learn the lessons of the holocaust, in hopes of making sure the tragedy would never happen again. Charlie Wojciechowski- Runs 2:35

**ECONOMIC DEVELOPMENT- TWO WATERFRONTS- CHICAGO- 5PM PKG-** The Mayor of Chicago unveiled his vision of developing Chicago's River into a mega parkland with trails, restaurants and businesses. It's all part of Building on Burnham economic development plan, working on architect's Danial Burnham's development expansion. The announcement did not have specifics on who would pay for the development, just that it would take a public- private partnership. Charlie Wojciechowski- Runs 2:36

## **TUESDAY, APRIL 17, 2018**

**DISCRIMINATION- STARBUCKS BOYCOTT- 430PM/6PM PKG-** A local activist has called for a two hour boycott at 10 local Starbucks in Chicago tomorrow and to buy their coffee elsewhere. The Black Star Project says this boycott is to bring awareness to the discrimination African Americans face every day in this country and sending a message to major corporations in this country. The boycott is also in response to two African American men who were

arrested for sitting in a Starbucks in Philadelphia without buying anything and refused to be allowed to use the washroom. Chris Hush- Runs 4:02

**NBC5 RESPONDS- PARKING APP MISTAKE- CHICAGO- 430PM** The transition from parking meters to parking apps is not making life easier for drivers who think they've been ripped off or unfairly towed.

One customer, Kyna Lehnof left off one digit for the app registry and was given four tickets. She had kept her receipts to prove she paid for them, and contested the tickets. But each time she contested the fine, a judge ruled against her. The problem, the digit she used to register for the app differed from her license, something the investigator never told her and so she continued to rack up tickets. Lisa Parker- Runs 1:40

**CRIME- DOLTON OFFICER KIDNAPPING- DOLTON- 5PPM VO - A** former Dolton police officer is behind bars accused of kidnapping his wife and holding her by gunpoint. 37- year old Jesse Williams is charged with aggravated assault and kidnapping after getting into an argument with her, held her hostage in the bathroom and threatened her with a gun. Williams has been stripped of his police duties. Regina Waldrop- Runs 1:50

**RELIGION/GOVERNMENT- GUN LAWS- MAYWOOD- 5PM PKG-** Cardinal Cupich is calling for state lawmakers to vote on stricter gun laws for Illinois, including more money for research, and harsher penalties for unlicensed gun purchases. Cardinal Cupich focused on how gun violence affects not only victims and their families, but doctors and nurses who treat victims at Loyola Medical Center, a Catholic hospital. Mary Ann Ahern- Runs 2:15

**MAKING A DIFFERENCE- RESTAURANT FUNDRAISER- 6PM PKG-** 41 restaurants, including Franco's Restaurant are joining in to raise funds go blue restaurants, a charity called One Hope United, for child abuse victims. Fifteen percent of proceeds from each of the restaurants will go to social agencies which fight child abuse. Anayeli Ruiz- Runs 1:42

**WEDNESDAY, APRIL 18, 2018**

**ACCIDENT –FATAL FIRE- HIGHLAND PARK- 11AM LIVE PKG**

Two people were found dead after an early morning house fire in Highland Park. Firefighters spent hours trying to put out the blaze. The victims have not been identified but neighbors in the northern suburb are devastated to hear about the fate of their north shore neighbors. Sandra Torres- Runs 1:35

#### **DIVERSITY- LAKE GENEVA CAMPING TRIP- 6PM PKG**

There's fallout for a family who sent their child on what seemed like a nice school field trip to Lake Geneva, Wisconsin. The child returned from the four day event, telling her parents how she was in the middle of a slave simulation. The parents said they did not give their consent to have their child subjected to such an event. Baily Peterson says staffers at Natures Classroom Institute dressed up as runaway slave- abolitionists and even bounty hunters. After hearing about this, the mother met with school officials, who told them they did not see anything wrong with it. Regina Waldroup- runs: 2:05

#### **POLITICS- JEB BUSH/BARBARA BUSH'S DEATH-OAKBROOK - 5PM**

**PKG-** One day after it was announced that former First Lady Barbara Bush died, Jeb Bush was in Oakbrook for a government forum reminiscing on his mother. She was known as the Enforcer, but the Former Florida Governor said she was tough, but loving. Mary Ann Ahern-Runs 2:08

#### **RACE/DIVERSITY- STARBUCKS PROTEST- CHICAGO-5pm PKG- A**

local group handed out flyers at nearly a dozen Starbucks in Chicago asking people to boycott Starbucks for a few hours today, They hope touring light to the racial issues in America in corporations, after two black men were arrested for not buying any products in a Philadelphia shop. The men had asked to use the bathroom, were denied and told they needed to buy something or leave. Starbucks plans on doing diversity training in all their shops next month. Lauren Petty- Runs 2:06

**ANIMALS/FASHION- FASHION THERAPY DOG-CHICAGO 4pm PKG-** Little Lola Sunshine lives a double life. Once a month she cheers patients up at Shriners Hospital in Chicago as a certified therapy dog. She's also a trick dog doing fun tricks. She also has a fashion blog on Instagram, traveling the world dressed in fashionable outfits and making an impact as a celebrity. So far she has 26-thousand followers. Leeann Trotter- Runs 1:42

Today's mass shooting is one of the deadliest shootings against journalists in this country. Rob Stafford- Runs 1:56

**WEATHER- EXCESSIVE HEAT WARNING- CHICAGO- 6PM/10PM**

**PKG-** Illinois is getting hit with excessive heat Friday and health officials warn people to stay indoors, drink plenty of fluids and check on the elderly. One family, who has been without air conditioning for the past two weeks had to move to a neighbors as they try to decide how to survive the upcoming heat wave.

Health officials also say the recent rains we had earlier in the week, coupled with the flooding is a mecca for mosquitos. Lexi Sutter/Michelle Relerford – Runs 1:58 AND 1:44

**IMMIGRATION- BOY RETURNED TO MOM- CHICAGO- 10PM PKG – A**

mother from Brazil is reunited with her son , who was separated from her when they entered the United States. The mom took the government to court, and today , the judge ordered the boy be immediately released to his mother. Lidia Souza was separated from her 9- year old son Diego for almost a month. It took two weeks to find him and two weeks to get the court to make the order. The mother is urging other mothers separated from their kids to take action and never give up. **NBC RESPONDS- DELIVERY NIGHTMARE- NORTHBROOK- 10PM**

**PKG-** An Amazon delivery truck had crashed into a homeowner's garage. At first the homeowner didn't notice but when her husband came home, he pointed out the damage, not only to the garage door but it also scratched their car. They soon learned the driver was not an Amazon employee but an independent contractor. This caused problems for the Skylars who needed to know who would pay for the damage, and they ended up calling NBC5 Responds. After a few calls to Amazon, the company agreed to reimburse the customer for the damage. Lisa Parker 3:20

**WEATHER-DANGEROUS HEAT-CHICAGO/ELK GROVE VILLAGE -  
4:30PM PKG- Kids**

Kids are enjoying the water park in Elk Grove Village , in temperatures reaching the mid 90's today. And at Navy Pier and the Chicago beaches, visitors take precautions by drinking lots of water and using lots of sunscreen. Today Chicago officials warned people about the dangerous heat. Alexi Sutter and Lisa Chavarria-Runs 2:00

**HEALTH - HEAT AND EXERCISE-CHICAGO-5PM PKG-**At Ohio Street beach, plenty of athletes bore through the dangerously high temperatures to get exercise. But they all give same advice- stay hydrated with water. Today, we share some workout tips for athletes in extreme heat. Charlie Wojciechowski- Runs 2:17

**MAKING A DIFFERENCE-TOYS R US DREAM-BURBANK-5PM PKG-**Grandmother Darlene Schlosser says her 9-year old grandson Jayden had his dream fulfilled this week. That's when he got to be a worker for a day at a southwest suburban Toys-R-Us. When the store manager heard he wanted to be an employee at the store, the manager put him right to work. He helped clean the store, straighten the shelves and help out wherever he could. LeeAnn Trotter-Runs 1:30
