Berean Bible

Transformed By Grace is a weekly television program produced by the Berean Bible Society. Pastor Kevin Sadler presents the transforming power of God's grace. The Berean Bible Society was founded over seventy-five years ago for the sole purpose of helping believers understand and enjoy the Word of God. Our Organization holds without apology to all the fundamentals of the Christian faith and is evangelical, that is, we believe that salvation is by grace through faith alone on the basis of the shed blood of Christ.

The program also emphasizes the importance of proclaiming the whole counsel of God in light of the Pauline revelation. Insofar as Paul is the apostle of the Gentiles, it is our firm conviction that in his epistles alone we have the doctrine, position, walk, and destiny for the Church, the Body of Christ, during the dispensation of Grace.
