Covering the Period from February 1, 2013 to January 31, 2014
Station: KCCU, Lawton, Oklahoma
Licensee: Cameron University, Lawton, Oklahoma

The purpose of this EEO Public File Report (“Report”) is to comply with Section 73.2080(c) (6) of the FCC’s 2002 EEO Rule. This Report has been prepared on behalf KCCU / Cameron University and is required to be placed in the public inspection files of this station and posted on the station website.

The information contained in this Report covers the time period beginning February 1, 2013 to and including January 31, 2014 (the “Applicable Period”).

The FCC’s 2002 EEO Rules requires that this Report contain the following information:

1. A list of all full-time vacancies filled by the Station(s) comprising the Station Employment Unit during the Applicable Period.
2. For each such vacancy, the recruitment source(s) utilized to fill the vacancy (Including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c) (1) (ii) of the EEO Rule, which should be separately identified), identified by name, address, contact person, and telephone number.
3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period.
4. Data reflecting the total number of persons interviews for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies.
5. A list and brief description of the initiatives undertaken pursuant to Sections 73.2080(c) (2) of the FCC rules.

Appendices 1, 2, and 3 which follow have been designed, in the aggregate, to provide the required information. Please note that the numbers listed on Appendix 2 under the column entitled “Full-time Positions for Which This Source Was Utilized” refer to the number of the full-time jobs listed on Appendix 1.

For purposes of this Report, a vacancy was deemed “filled” not when the offer was extended but when the hiree accepted the job offer. A person was deemed “interviewed.”

Internship / Broadcasting Lab:

As a department of Cameron University, KCCU facilitates the education of Cameron University students by supplying positions for students involved in Cameron University's Bachelor of the Arts Degree in Communications.

The mission of the Communication program is to support Cameron University's mission of offering educational opportunities for a diverse student body. The program strives to develop students' intellectual capacities, prepares students for entry into graduate school and communication-related professions, and plays a role in general education.

Each semester, KCCU hosts several students involved in CU's Communications curriculum, and those would include students enrolled in the following courses:

- RTV3911 - Preparation for and participation in all phases of radio and television; may be repeated. Prerequisite: Department permission.
- RTV4923 - Supervised work experience in a professional setting which relates to the student's career objectives. The internship will allow practical experience in radio/television. May be repeated for a maximum of six hours. Prerequisites: Upper division standing and department permission.

Students are involved in writing and producing PSA's, news writing and production, and other duties as assigned by staff. KCCU staff assigns the students their letter-grade for the course(s).
