Good afternoon,

Just learned they want to push the start of this radio to Wednesday 6/2 (I know im sorry please don't kill me haha)

I assume that's not a problem for most of these stations since we got them stuff pretty late but could you ask anyone planning to run on 6/1 to push spots to later in flight.

Not the end of the world if spots run on Tuesday but we would like to push if possible

thank you both for your help!
