

2nd Quarter
Listing of Community Issues and Programs

April 1, 2007 – June 31, 2007

Submitted by:
WSFL-TV
Miami-Ft. Lauderdale

Through ascertainment interviews, WSFL-TV has surveyed various community leaders. As a result of those interviews and with those leaders' objectives in mind, WSFL-TV has determined which issues are most significant to South Florida. Following are descriptions of local issues addressed by WSFL-TV. This packet of information includes summaries of how each issue was addressed or announced throughout the quarter, as well as background information on the programs, including program type, date, and time.

PUBLIC FILE

CRIME/VIOLENCE

Reflecting a national trend, violent crime rates decreased in Miami-Dade and Broward County. Factors contributing to the decline are said to be the community's policing and concentrated efforts by homicide departments.
